from Mexico of Jose Caro, the Spanish minister on which it is presumed here Spain's reported action is based, has been sent by Mr. Caro through the embassy here to the Spanish foreign office. The peculiar status of all diplomatic representatives in a country wherein no government is recognized, many officials believed probably would override the technical point that the Spanish minister could enjoy no diplomatic immunities because he had not presented his credentials. It was suggested that Mr. Caro's appointment by the Spanish government would in the circumstances constitute sufficient proof of his official status for any defacto government and should inspire the same respect as that usually given diplomatic representatives.

Conditions in Mexico Worse.

The Spanish government may have Hamlin, Governor of the Federal Re-laddressed a note to all the powers reserve Board, at the annual banquet of citing Caro's experiences with the Carranza government, officials here believe, but until the nature of Spain's suggestions are known they declined elapsed since the opening of the 12 to speculate on the probable course of

> That conditions of Mexico gradually have been growing worse is admitted at the State Department. There has heen a disposition to regard the exjecture.
