ording to naval experts.

Remarkable Achievement. At 21,000 yards the huge battleship ueen Elizabeth, of the British squadon, assisted by smaller ships, still is urling shells across the Gallipoli peinsula into the Turkish strongholds n the Asiatic shore. The admiralty statement carries the operations wough Sunday and admits that the furks not only scored three minor hits n the Queen Elizabeth, but that most the ships inside the straits, both French and British were struck. None tas sunk and there were no casualties. he Turkish forts Rumili Medjidie Tahis and Hamidieh, fringing the Asiatic ore line, were silenced as was the Mount Dardanus battery farther south. The Turkish casualties are not known. A Turkish statement from Constanople issued prior to the admiralty latement tonight, insisted that the fighting in the Dardanelles was developing in favor of the Turks. It was stated that no batteries were being lestroyed and that the hostile ships fere forced to retreat. eroplanes, taking wing from the

eks of the besieging craft, are playa notable part in the operations. British machine became unman-Reable and dove into the sea and anther was hit by the Turks 28 times. Comparative calm seemed to prevail the Western front and in Poland. An air raid by British flyers on the rman submarine base at Ostend, Belum, was announced by the admiralty might. Six machines participated and arned safely. What damage they afficted is not known.

the of the most picturesque bits of eday's news is a report from Buchast, Rumania, that former Sultan Ab-Hamid, of Turkey, has regained his and is gathering his friends apporters around him. It is asted that he may seek to play an imwrtant part in his country's affairs.
