NEW ORLEANS ADVANCES TO TOP IN SOUTHERN

Nashville Dropped Down to Second Place by Losing Six in a Row.

Atlanta, May 9.—By losing six consecutive games, Nashville dropped out of the lead in the Southern Association during the week ending yesterday, being replaced by New Orleans, which won four of its six starts. Nashville's play was very disappointing to its followers and was a in sharp contrast to that of the preceding week, when it

won seven straight victories. Chattanooga and Birmingham were the week's most consistent winners, the former being undefeated in six games and the latter droppuing but one of its six contests. These teams are tied for third place.

Memphis won three out of five, and is fifth. Atlanta and Mobile won but two of their six contests and follow Memphis in the order named. Little Rock, which continues in last place, was able to return but a single victory in five attempts.

The first division teams are well bunched now, New Orleans leading Nashville by only half of one game, While it is only two full games ahead of Birmingham and Chattanooga.

went into executive session, for the election of officers. This resulted as follows: T. B. Carr, clerk to the board; C. W. Lewis, city marshal; W. H. Pike. tax collector; A. K. Goldfinch, city treasurer; H. P. O'Hagan, city engineer, to serve during the construction of the water and sewerage plant. Material for the water and sewerage

system has been arriving, and it is said that construction work will be started the first of next week. Some of the representatives of the McCreary Company are here to start the work. Last night at the Masonic building, there was a most enjoyable gathering, it being a joint meeting of the old and young men's classes of the Sunday school of the Methodist church the total number about 100, though all were not present. Most of the members were accompanied by ladies. After a most interesting address to the classes, by Rev. W. V. McRae, of Trimity church, Wilmington, who was

the speaker of the occasion, Mr. Mc-Crae being a former resident here, there was a change of scene, all going to the banquet hall where an elegant repast was served, it being more thoroughly enjoyed by the numerous toasts which were responded to. The second or noonday mail, now arriving, is being found the much needed service that this place claimed. The amount of mail matter arriving and departing at noon is on the increase. A greatly appreciated rain fell here last night, the precipitation being . inches. The rainfall was greater out-

side of this immediate vicinity. EXTRA SESSION OF CONGRESS.
