Midshipman Moss Witness Before Navy Court of Inquiry

Stated He Didn't Know Papers Were Advance Copies of Examinations—Witnesses Testify in Behalf of Nelson

Annapolis, Md., June 29.—Midshipman James E. Moss, of the former third class at the United States Naval Academy, whose distribution of information contained in papers he claimed to have received from an anonymous source and which the academy authorities charge were stolen examination papers, led to Superintendent Fullam's recommendation that Moss and six other midshipmen be dismissed, was a witness today before the court of inquiry investigating the matter.

Moss said he received five papers relating to the subjects of Spanish and French in a plain envelope which had been dropped in a mail box at the Academy and delivered to him. He did not suspect they were examinations to be given, he said, but thought they might have been sent by some friend with the idea that they would be helpful.

Moss said no midshipman had seen the papers gave him any intimation that he thought they were advance copies of examinations. However, in response to a question by the Judge-Advocate, the witness said the papers appeared to be examinations, and so far as he knew were not old examinations.

On one occasion Moss declared past examinations in mathematics with the problems worked out for him had been sent to him by Instructor King, of the department of mathematics. The witness said his father, Robert Moss, of Counselor for the defendant midshipmen, recently had received from King an affidavit setting forth that the instructor had mailed such examinations to the midshipman. An envelope was put in evidence which Moss said was addressed in Instructor King's handwriting and had contained the mathematics papers.

GENERAL ANGELES SAYS HE DESIRES PEACE IN MEXICO

(Continued From Page One.) and the other nations of the world, can accept and recognize.

Shown a dispatch from Cornish, N. H., that Col. Jesus M. Aguilar and Maj. Yreoco A. Garcia had arrived there seeking to arrange an audience for Angeles with the President, the Villa general said he would be glad to meet Mr. Wilson, although he was not urging an audience.

"Colonel Aguilar and Major Garcia," said the general through his interpreter, "are both republicans. They do not represent me. They do not represent me. They came to the United States as emissaries of Madero and called on me in Boston."

"Could you state more specifically the nature of your mission for General Villa?" he was asked. "I can only say that I am on a special mission to the United States and a political mission to Sonora, which I shall undertake as soon as I leave this country. After my work in Sonora is concluded, I shall report to General Villa."

The general said he would remain in Washington several days.

JOSE ZOZAYA ARRESTED

Charges Against Him Similar to Those Against Huerta and Orozco El Paso, Texas, June 29.—Jose Zozaya, a wealthy El Paso resident was arrested today on charges of conspiring to set on foot a military expedition against a friendly country. He was released on \$7,500 bond for hearing Thursday. The charges against him are similar to those made against Victoriano Huerta and Pascual Orozco. Additional specific accusations include the alleged purchase of five machine guns, five hundred rifles and a quantity of ammunition.

General Huerta continued his conferences with former Mexican generals today. Among those called were Salvador Madero, Juan de la Cruz, Marcello Caraveo, Joaquin Teles, Francisco Castro, Manuel Acona, Eduardo Caus, Emilio Campa, C. Castro, Felix Ternazas, Luis Fernandez, and Manuel Landan.

FAIL TO GET INTERVIEW.

Angeles' Representatives Go to Cornish to Make Engagement. Cornish, N. H., June 29.—An unsuccessful effort was made today to arrange an interview here between President Wilson and General Felipe Angeles, the Mexican leader who recently came to the United States and who wants to give the President his view of conditions in Mexico and to suggest a way of ending Mr. Wilson's warning that the situation there must change.

Col. Jesus M. Aguilar and Maj. Yreoco A. Garcia, who said they were members, respectively, of the staff of Gen. Angeles and Gen. Raoul Madero, arrived bearing letters of introduction from General Madero and General Angeles, but were told that details of the Mexican situation were being handled by the State Department and that it would be impossible for General Angeles to see the President here.

The two Mexicans denied the report that General Angeles was connected with General Huerta in any movement to start another revolution in Mexico. They said that Angeles and Cilla still are warm friends. General Angeles is according to Aguilar and Garcia both Generals Angeles and Villa favor Vasquez Tagle as provisional president. The Villa leaders are hopeful, they said, that they can be agreed upon, and be recognized by the United States.

In this time of industrial opportunity, it is gratifying to see what a firm grasp the men trained at the Agricultural and Mechanical College are taking on the industrial life of the State. These men not only are doing them with credit to themselves and to their college. They are making over old farms and dairies. Many of them are directing cotton mills. On our railroads and highways you find them with their rod. They are sought by men who need draughtsmen and machinists. Young men who are ambitious and determined to make headway in life are in increasing numbers making their way to this busy institution. The fall announcement in this paper will interest scores of young men.

DR. MEYER-GERHARD WRITES AN ARTICLE FOR BERLIN PAPER

(Continued From Page One.) standing under a hall of American shells which give the enemy the power to continue a war of destruction against Germany."

The Kreuz Zeitung says that it cannot admit Dr. Meyer-Gerhard's discrimination that only a small part of the population of the United States is responsible for the shipments, whereas a great majority is against them, and adds:

"What the American government and manufacturers of munitions do against Germany is done by America. The opposition of large circles in America does not change that fact till it meets with success."

The Kreuz Zeitung says that Dr. Meyer-Gerhard forgets one fact at which the Germans take offense in America's policy. "America allows England to treat foodstuffs and raw materials as absolute contraband with the intention of starving German women and children," says the paper. "Whatever protest America makes in England makes no change whatever in the fact that America is delivering these things to our enemies while keeping them from us, whether under compulsion or not."

NATURE OF NOTE UNDECIDED.

German Officials Say Nobody Knows What Lusitania Reply Will Be.

Berlin, via London, June 30.—Official cables from Berlin state today the statement that no intimation respecting the contents of the forthcoming German note in reply to the American note bearing on the sinking of the Lusitania has reached Washington since those engaged in drafting the document themselves have not determined its tenor yet.

The admiralty professes ignorance of its probable contents and nothing has been issued from that quarter. The foreign office is understood to be working on four different drafts and trying to select one that will reconcile the viewpoints of Germany and the United States.

The possibility that a satisfactory solution to the Lusitania problem has been reached was hinted at by an official of the foreign office, who recently declared: "President Wilson's note showed that the matter could be adjusted. It was the nature of the crisis that created the trouble; our reply probably will be another girder strengthening that bridge."

The German note probably will be ready for transmission at the end of this week or early next week.

WARREN COUNTY SCHOOL CONTROVERSY IS SETTLED

W. E. Avery and Wife Fined For Having Trunk of Whiskey in Hotel

(Special Star Telegram)

Raleigh, N. C., June 29.—The State Board of Education, in special session today, agreed on J. S. Davis as its member to the Warren county school of education instead of W. A. Graham, thus settling one of the bitterest factional fights that has been appealed to Raleigh in a great while.

This new board of education will be re-elected county superintendent for Warren public schools. Graham if appointed, would have supported either candidate for the superintendency.

Judge Harris, in the city court today, fined W. E. Avery, of Atlanta \$100 and his wife \$25 for registering at the Tarborough with a trunk full of whiskey and including the boys, and sell it for them. Two bell boys were fined.
