The British forged forward last Monday and the following day and the Turks after sapping and mining, launched a counter stroke with the bayonet. This was crushed, while the French forces operating on the right in Kerevesdere Valley, toward the east coast of Gallipoli, advanced and consolidated ground won the last of June. Despite hard fighting ever since the anding on April 25, the Franco-British expedition only lately has achieved mything notable toward strengthening ts hold on the tip of the Gallipoli peninsula. Achi Baba is a small Gioraltar, bristling with machine guns, surrounded by barbed wire and terraced with trenches. This is the reason why any allied progress is hailed with great satisfaction in England. It is interesting to note the tributes to the Turks' bravery and even gallantry paid in almost every dispatch from British correspondents at the Dardanelles. At no time during the peninsula fighting have the Turks been ac-

cused of atrocities. The munitions measure giving David Lloyd George, minister of munitions, Will Return to Washington Names of Successful Ones tions supply passed the House of Lords today and will be a statute when the king affixes his signature. British Realizing Truth.
