OVER 300 BRITISH LOST

## Official Statement on Sinking of British Transport Ramazan

London, Nov. 5. - Official announcement by the war office tonight of the sinking of the British transport Ramazan by a hostile submarine in the

Aegean sea in the latter part of September, previously reported, shows that more than 300 men were lost when the transport went down. The official statement says:

"The war office announce that the British transport Ramazan was sunk by an enemy submarine by shell fire at 6 a. m., on September 19, off the island of Antikythria in the Aegean sea. There were about 300 Indian troops on board, of whom 75 were Twenty-eight of the crew alsaved. so were saved. A number of boats were smashed by shall fire.

"The survivors reached Antikythris in their own boats the same night and were kindly and hospitably treated by the inhabitants."

PRESIDENT'S AUTOMOBILE

## KNOCKS BOY DOWN-UNHURT

Mr. Wilson Stopped Car Until Assured Lad Was Not Injured.

New York, Nov. 5 .- President Will son's automobile struck and slightly injured a small boy here late today while the President was on his way to the train. The boy apparently was fore frightened than hurt. After stopping his car and ascertaining that he accident was trivial, the President continued to the station. The accident occurred as the President's car turned a corner in front of he boy, darted from the sidewalk across the street directly in the path of the automobile. The youngster esped the wheels but a mudguard Tushed against his left arm and knocked him down.

ern. to be his duty and so long as a man follows his conscience and judgment we cannot criticise his motives, but may be compelled to dissent from his conclusions. I feel it my duty to dissent and as he has given his views with clearness and emphasis, those who differ from him are under a like obligation to express themselves with equal clearness.

"He says that his position is different from that of the private individual in that the individual is free to speak his own thoughts and risk his own opinion, he does not differ from the priscure. Insofar as he expresses his own opinion, he des not differ from the private citizen except that he speaks under a sense of official responsibility, but where a Nation's fate is involved in a policy every private citizen who loves his country and tries to serve it

is conscious of responsibility. "He has announced a policy which has never before been adopted in this country and never endorsed by any party in the country and he has no way of knowing, until he hears from the people, whether he has correctly interpreted the will of the public. His appeal is not to any part, but, as he says, to men of 'all shades of opinion.' "A False Philosophy"

"The President says that we should be prepared 'not for agression, but for defense.' That is the ground upon which all preparation for war is made. What nation has ever prepared for war on the theory that it was proparing for aggression? It is only fair to assume that the European rulers who are involved in the present war thought that they were contributing toward the maintenance of peace when they were making elaborate preparations for defense. It is a false philosophy and, being false, it inevitably leads into difficulties. The spirit that makes the individual carry a revolverand who ever carries a revolver except for defense?-leads him not only As the emperor emerged from the to use it on slight provocation but to use language which provokes trouble dred thousand school children who paid 'Speak softly but carry a big stick' is if a man with a soft voice is changes as soon as he begins to rely upon the club.

"If there is any truth in our religion, a nation must win respect as an inbut by an upright, honorable course that invites confidence and insures good will .
