

DISCUSS EMBARGO ON WAR MUNITIONS

Shipment From America to Europe is Denounced.

DEBATE IN THE SENATE

Democrats and Republicans Join in Assailing Munitions Traffic—Petition of Over Million Names. Vote May be Taken.

Washington, Jan. 27.—An outburst of denunciation against shipment of American-made war munitions to European belligerents stirred the Senate today, reflecting a revival of sentiment which may force a vote upon embargo resolutions that have been pending in committee for several weeks.

A petition for an embargo, having more than a million signatures, precipitated the debate. It was introduced on time seemed inevitable, but it was averted after much parliamentary maneuvering by reference of the petition to the Foreign Relations committee.

Senator Kenyon, Republican, introduced the discussion in presenting the petition which had been sent to the Senate by the organization of American Women for Strict Neutrality.

Senator Stone, chairman of the Foreign Relations committee, before which the embargo resolutions were pending, said he had opinions on the merits of the issue, but thought this was not the time to discuss them.

From the character of the debate it was apparent that discussion of the question was certain to crop out again in the near future. Senator Clark, of Wyoming, said the Senate's patience was being sorely tried by continued inaction on the part of the Foreign Relations committee.

MINISTER'S NAME NOW IN THE CASE

(Continued From Page One.) "you very cautious?" the attorney general asked.

"It was evident that you had been fooled at the first marriage?" "Yes." "Where was it that you really went through a ceremony?" Mr. Rice asked.

Mrs. Mohr sobbed so that it was some time before she could answer. She finally replied that she and the doctor were married at Lynn, Mass., on May 24, 1909. The doctor thought it would be best, she said, on account of the children.

The residence and occupation of both herself and the doctor, as given on the records in Lynn, were false, Mrs. Mohr admitted. The statements were given by Dr. Mohr, she said, and she was standing on one side part of the time.

Earlier in the day, when asked by counsel if she ever intended to get an absolute divorce from Dr. Mohr, Mrs. Mohr replied: "No, sir; I would never have divorced my husband. I wanted no one else and cared for him as I did. I was deep down in his heart he loved me no matter who he went around with."

Mrs. Mohr said that the threatening letters sent were for the sole purpose of "scaring Miss Burger away from my husband."

Before court adjourned Justice Stearns announced the contrary. A custom a session would be held Saturday morning and perhaps on Saturday afternoon.

It was said that Mrs. Mohr probably would be on the stand for two days more.

MOTHER AND CHILDREN MADE BEGGARS BY LAW

Their Scant Possessions Taken for a "Fence Debt."

Harrowing Experience of Hungarian Immigrant Woman and Four Little Children Aired in Columbus Court Circles.

(Special Star Correspondence.)

Whiteville, N. C., Jan. 27.—One of the harrowing experiences "necessary" for immigrants to encounter in this country, especially those who are not endowed with a surplusage of energy, has been aired in court circles here this week.

The wife of George Andodi, a member of the Hungarian colony at Artesia, whose husband left to seek other fields of providing support for the family, packed all the household goods and provisions belonging to the family and placed them in the depot at Hallsboro for shipment to Newport News, Va., at which place her husband was.

It seems that the wife had been managing the farm at Artesia for some time and in purchasing provisions and supplies for the household and farm, a misunderstanding arose during the winter months with John Heinzel, a German who has been at Artesia several years. Heinzel claims that the Hungarian woman is due him \$34 for fencing and when he learned that she was going to Newport News he procured a warrant of attachment against the household effects and had them taken in custody by an officer at Hallsboro.

Heinzel all she owes him for provisions but admits the fence debt, but excuses it by saying it is due to the Carolina Trucking Development Company and not to Heinzel personally, in which form the attachment papers were taken out.

Pending a hearing of the case before a justice of the peace, which is scheduled for Saturday of this week, the woman is entirely dependent upon the hospitality of her neighbors at Artesia, as are her four little children. Prior to the attachment of her household effects she had money with which to reach her husband at Newport News, but the expense of employing lawyers and of the delay incident to the hearing Saturday has left her practically without funds.

Whiteville and in the sheriff's office made an appeal to the deputies to care for her children, whom she vehemently expressed his intention to bring to Whiteville and turn them over to the sheriff's office in the event the trial justice did not restore her goods to her, and just what disposition they will make of the children should she be declared a pauper. It is affording the deputies some little study just now.

VOTE OF CONFIDENCE FOR PRESIDENT WHITE

(Continued From Page One.) make a reply, and gave notice that he would make a statement later. President White made a heated reply in which he declared that Doyle had done an irreparable injury to the struggling nine workers of Colorado.

Doyle in opening his speech admitted that the rank and file of the organization had nobly stood by the Colorado strikers and gratefully acknowledged the \$3,895,514 which had been sent into the state to help win the strike. He declared, however, that some of the national officers in the summer of 1914 did not show the same zeal in conducting the strike as they had at the beginning.

A report gained circulation today that President White may not be a candidate for re-election a year hence, as he desired to retire. Mr. White would not discuss the report, but it is said he was not finally made up his mind.

Results Last Night.

Braves, 40; Reds, 27.
Dodgers, 32; Seminoles, 34.
The top-notchers suffered a defeat at the hands of the Braves last night in the Friday Night Basketball League, at the Boys' Brigade armory, and, as a result, the Braves now tie the Reds for second place, while the Seminoles break their goose-egg standing. While the routers for the Braves and Dodgers were loyal and hated to see their teams lose last night, still the fans supporting the Braves and Seminoles were especially elated at seeing their respective favorites defeat the champions of the league.

In the first game C. Gerdes and Schuster Griffith shared honors for the Braves with five goals each. Ellis tallied 17 points, with seven foul goals and three field goals. Captain Snakenburg had his hands full guarding Mac Griffith, but he did it in his usual style, allowing the latter only two goals. "Clunk" Davis and "Happy" Register did most of the shooting for the Braves, with six and five goals respectively. Captain Gallagher guarded Ellis to three goals, but could not prevent his making the foul shots allowed him.

The spectators were free in their applause for the speed with which the young Griffith brothers—Schuster and Mac—shot around the floor.

By the bare margin of two points the Dodgers lost their first game of the series to the Seminoles, who played like "fends" last night. Irving and Bornemann, respective centers for the Seminoles and Dodgers, shared the honors for this game in goal throwing, each getting seven and netting their teams fourteen points. Captain Shoar stuck to his man better last night than he has yet done, routing his desire to go for the ball wherever it is, and allowed "Slick" Davis only two goals, while he caged the ball twice himself. Harry Register slipped around big Ed Montgomery for five goals for the Seminoles, and W. King playing his third game in the "big" league, was on his passing, guarded the Dodgers' other star forward, Rourke, to three goals. H. Gerdes, for the Dodgers, held his job down by giving Smith only one goal. The Dodgers had the better of their opponents in pass work, but the all-around hard work of every man on the Seminoles team brought a hard-earned victory their way.

The games were played last night, instead of tonight, on account of the local number which is given at the Brigade auditorium tonight.

FAST WRESTLING MATCH IS SCHEDULED FOR THIS EVENING

Max Schmidt and Con Albright Will Meet at Woolvin Hall.

Max Schmidt, of Norfolk, and Con Albright, of Richmond, both light-heavyweight wrestlers, are slated for a finish match at Woolvin Hall tonight, and the local fans are anticipating a fast and interesting contest.

Schmidt is known here, where he wrestled Bull Montana several weeks ago, losing after having secured one fall on the big Italian. Schmidt, however, was not in condition at that time, though even then he put up a splendid exhibition of strength and skill. He has been training with Fritz Hanson for the past several weeks, and is now back in good form again.

Albright, who arrived in the city Tuesday, looks good to the fans here, and he has the reputation of being a clever and asty wrestler. While he is not given to boasting, he appears to be confident of his ability to throw Schmidt.

Kermit Wood and Harry Pales, two fast local youngsters, will go on in a preliminary match at the main bout. The match will start at 8:30.

Tickets for the event are now on sale, and ringside seats may be reserved at Warren's.

It is stated by the management of the hall that Schmidt has forbidden smoking at the matches, by reason of the fact that the building is not equipped with a fire escape, and all who attend are asked to bear this in mind. Aside from this, though, the matches are now attended by any ladies, who, naturally, object to the smoking, and the wrestlers also claim they are able to do better work if the fans do not smoke in the hall.

Take Iron, Says Doctor, if You Want Plenty of "Stay There" Strength Like an Athlete!

Ordinary Nuxated Iron Will Make Deltate, Nervous Run Down People 200 Per Cent. Stronger in Two Weeks' Time, in Many Cases.

New York, N. Y. —Most people foolishly seem to think they are going to get renewed health and strength from some stimulating medicine, secret nostrum or narcotic drug, said Dr. Sauer, a specialist in this city, when, as a matter of fact, real and true strength can only come from the food you eat. But people often fail to get the strength out of their food because they haven't enough iron in their blood to enable it to change food into living matter. From their weakened, nervous condition they know something is wrong, but they can't tell what, so they generally commence doctoring for stomach, liver or kidney trouble or symptoms of some other ailment caused by the lack of iron in the blood. This thing may go on for years, while the patient suffers untold agony. If you are not strong or well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five grain tablets of ordinary nuxated iron three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. For yourself see dozens of nervous, run down people who were alling all the while, double and even triple their strength and endurance—entirely by the aid of all symptoms of dyspepsia, liver and other troubles in from ten to fourteen days

WOULD HAVE PLAYGROUND.

Movement Started to Have Place of Recreation for Children of City.

That one of the big needs of Wilmington is a public playground is conceded by all, and active steps to this end were inaugurated at a meeting held yesterday morning at the Y. M. C. A., when a committee was appointed to formulate plans. The meeting was attended by a number of representative citizens and also by Dr. W. A. Brown, of Chicago, who spent the day in the city.

The committee appointed at the meeting yesterday is as follows: Messrs. J. Allan Taylor, chairman; W. H. Sprunt, D. H. Penton, C. C. Covington and Odie B. Hinnant.

BASKETBALL AT Y. M. C. A.

Two Fast Games in Commercial League This Evening—The Teams.

Two fast basketball games in the Commercial League at the Y. M. C. A. are promised tonight and the public is cordially invited to witness the same. The first game will be called promptly at 8:40 o'clock and the second will immediately follow. The teams will be the local manager, Irvington & Mintz and City Laundry and National Woolen Mills. All the teams are in good form and should make a splendid showing in the games tonight. The pennant race is close and there will be some fast and snappy work on the part of the stars of the respective teams.

"BOMB HAS EXPLODED!"

And Big Sale by U. S. Woolen Mills is Announced in Today's Star.

The United States Woolen Mills, 109 Princess street, will start their big sale tomorrow (Saturday) morning at 8 o'clock. This sale will be conducted personally by Mr. O. H. Wohlmut, district manager of the chain of stores in the Carolinas, and should attract the interest of the clothes-buying public for miles around. Mr. Wohlmut arrived several days ago and with the exhibition of his new goods, he has day since, preparing for the big merchandising event which is announced fully elsewhere in today's paper.

The sale has been heralded by big advertisements in the newspapers headed "Watch," with the picture of a bomb about to begin action. The bomb in today's announcement has exploded and what it contains may be gleaned from a careful reading of the advertisement. Turn to it in today's paper and profit by the information there received.

Lost Purse of \$34.

Mr. W. G. Wallace, of Atkinson, N. C., who reached the city last night on the 8:05 train from his home, reports the loss of his purse, either on the train or shortly after reaching Wilmington, the purse containing \$34 in bills, four exhibition coupons, one \$10 and some dollar bills. He doesn't know whether his pockets were picked or whether he lost it from his pocket. He will be glad to pay a reward, he says, if it is common to the owner to be forwarded to him from this office.

More than a Million People have seen Douglas Fairbanks and Seena Owen In Triangle's splendid production of "The Lamb"

When Broadway goes crazy about a moving picture—it's time for you to see it. If you have seen "The Lamb," be fair to your friends. Tell them to see it, too. If you haven't—get hold of the manager of the Moving Picture Theatre you go to—and ask him to get the film and run it. Even if it does cost him a little more than usual pictures, he will be glad to get it—for he will make money on it.

The speed of the story,—the big scenes with hundreds of people and hundreds of horses; the tightness you have in the throat when "The Lamb," all by himself, makes a stolen Gating spit hell-fire and death at a howling mob,—all these help— But when lovely Seena Owen crawls up into Douglas Fairbanks' arms—and smiles— Well—you are so glad you went that you go again; and take your friends.

Which is why more than a million people have seen "The Lamb." Every TRIANGLE picture may not be as good as "The Lamb." But every TRIANGLE picture is so far out of the usual moving picture class that it is worth going miles out of your way to see.

See "The Lamb." Or—see it again. Any Moving Picture Theatre can get "The Lamb"; if it has already been shown nearby the crowd will be so much the bigger.

TRIANGLE FILM CORP N Basic Cast: Dorothy Gish, Mae Marsh, Mabel Normand, Seena Owen, Lillian Gish, Jane Grey, Enid Markey, Norma Talmadge, Fay Tincher, Mae Busch, Constance Talmadge, Louise Glum, Truly Shattuck
