several others.

"While we call ourselves the General Federation of Women's Clubs, yet we may as well face the fact that our foreign clubs are so few and far beween that we are in reality only national." Mrs. Pennybacker said. "On the continent of Europe and in other countries little is known of the Federation because there the great woman's movement is represented by the National Councils of Women all united. in the International Council of Women. "Now there is only one way in which the Federation can be represented in this International Council and that is by joining the already long-established National Council of Women in the United States.

For Harmonizing Nations.

"I will confess that there is a deeper reason that makes me so eager to see this brought to pass. When the cruel war is over and peace comes we shall find in the International Council an organization that is ready-ready for harmonizing the nations which are now at war-ready for calling back into wise common counsel women who for many years were accustomed to work side by side.

"I pray that the 2,000,000 women of the Federation may have the privilege ing to bring back joy and harmony to the women of the world."

Mrs. Pennybacker made other recommendations of importance to the future activities of the Federation. One of these urged that the organization 'go on record as favoring a continuance of effort on the lines of improvement of rural life and the American-In this ization of the immigrant." connection the president explained that her administration, having "early felt the need of proper alliance, with the
