SOAN, BAY MARE DRIVEN BY McDEVITT, WINS TWO HEATS.

Detroit, Mich., July 28.—The performance of Joan, a bay mare driven by McDevitt, in the 2:06 trot, was the feature of the concluding day's card of the local grand circuit meeting today. She got the decision in the headliner by winning the first two heats. She also seemed a sure victor in the third even after a bad break at the first turn. Recovering herself she let out a tremendous burst of speed and overtook the field at the half, only to break again in the stretch and finish last.
Guy Nella and Lucille Spear finished this mile so close together that the spectators thought a dead heat had been run. About 30 yards from the finish Joan put on another spurt and crossed a length ahead of Lucille. In the second heat the field was in single file from the first turn to well into the stretch with Mirthful in front and Joan second. Joan repeated her spurt and won by two lengths.

Boston, Mass., July 28.—Clarence J. Griffin, of San Francisco, who won an unlooked for victory over R. Norris Williams, 2nd, of Cambridge, former national tennis champion, in the early stages of the Longwood singles play, was himself the victim of a sensational upset in the fourth round of the tournament today. Griffin was defeated by J. J. Armstrong, of Philadelphia, in five sets, 6-3, 3-6, 6-3, 5-7, 8-4.

HEAT WAVE COMING

Hot Spell To Rival That of 1900 Expected Shortly.

According to Weather Observer Felger's prediction, the wave of excessive heat and humidity, which is headed northward from the Bermudas, is due to reach Wilmington in a few days and will in all probability rival the memorable heat wave of 1900. The phenomenon is approaching slowly and each day will be marked by gradually rising temperature that will shortly culminate in a heat wave of such intensity as is seldom experienced outside the tropics, says the weather observer.

The forecasts from Washington last night indicated that there would be continued high temperature over the interior districts east of the Mississippi river with showers in the extreme south today and Sunday.

The highest temperature recorded in Wilmington district yesterday was at New Bern where 90 degrees was registered. The highest in the Southern district was at Little Rock where the mercury touched 98 during the day. Wilmington's highest yesterday was 86.

CAROLINA BEACH GUN CLUB HOLDS ITS INITIAL SHOOT

Attractive Log Cabin Club House is Being Constructed at Beach.

On the occasion of its initial shoot held yesterday afternoon at Carolina Beach, the Carolina Beach Gun Club had its first guests about 30 members of the Southport and New Hanover Gun Clubs.

The high man at the shoot was Mr. Geo. S. Boylan, who made a score of 45 out of 50. J. H. Dreher and Mr. L. B. Pearce tied for second place with scores of 43 out of 50.

Col. Robert Stride and Dr. Doshier, of Southport; and Col. Walker Taylor and Messrs. J. Law, Clayton Sprunt and F. W. Dick and L. Clayton Grant, Esq., of Wilmington, were among the members from the visiting clubs, who attended the shoot. In addition to the men who participated in the shoot, there were a large number of ladies in attendance.

The Carolina Beach Club has only been recently formed, but already has 15 members. Just south of the hotel a fine log cabin club house is already in process of construction. Visiting members were very much impressed with the fine grounds which have been laid out.

THINKS \$100,000 FUND WILL BE INSUFFICIENT GOVERNOR CRAIG TAKES CHARGE RELIEF WORK

J. L. Burgess Tells of Conditions in Wilkes County Travels 850 Miles to Reach Raleigh From Asheville.

(Special Star Correspondence.)
Raleigh, N. C., July 28.—State Agronomist J. L. Burgess, of the State Department of Agriculture, just back from the Wilkes county section of the Western Carolina flood region, says that while near \$20,000 seems to have been raised already for the relief of this section, he is satisfied from personal observation and reliable reports that \$100,000 will not be sufficient to even patch up the damages produced by this flood in that section.

(Special Star Telegram.)
Raleigh, N. C., July 28.—Traveling 850 miles to get from Asheville to Raleigh, Gov. Craig arrived this afternoon and took personal charge of the relief work for food sufferers. In a statement commending the work of the general committee and liberality of the people, the Governor says the demands for relief in many sections are great and imperative and funds badly needed and "we must continue to call earnestly upon all the people of the State with unflinching faith that this call will meet with genuine response."

Asheville, Governor Craig says in the statement, has acted heroically for the relief of sufferers in that section and Hendersonville cared for sufferers in the Bat Cave and Chimney Rock section. There are sections that cannot provide for themselves, says the Governor, and the whole State seems to be coming gladly to their relief.

He is delighted that North Carolina loyalty is not diminished by removal to the other states, as evidenced by great numbers of checks coming from former North Carolinians. He says the spirit manifested in and out of the State inspires a feeling of exaltation in every man.

"Floods have visited communities with financial ruin," the statement of the Governor says in conclusion, "but it has called forth the highest sentiments of humanity whose value cannot be estimated in dollars."

The chairman of the general committee deposited over \$7,000 today as receipts for Wednesday and Thursday and the fund is now around \$30,000. Much clothing is being sent and of which have been accepted to give supplies where money is not available. U. Z. Cooper, Henderson, and T. A. Uzell, New Bern, are added to the general committee.

A letter from Taylorsville says there are at least 150 needy families in that section.

SANTIAGO RAMIREZ, FORMER VILLA GENERAL, EXECUTED
Laredo, Texas, July 27.—Santiago Ramirez, a former governor of the Mexican state of Coahuila, and later a villa general, was publicly executed on the plaza at Saltillo, Mexico, Monday afternoon, according to news reaching Nuevo Laredo tonight from an authentic source. Ramirez, it was stated, had left Mexico with the dwindling of Villa's power and had returned recently to offer his services to General Carranza when war between the United States and Mexico seemed imminent.
