Railroads' War Board Adopts Plans for Solution of One of Greatest Transportation Problems.

Washington, D. C., July 28 .- Plans for the solution of one of the most important transportation problems thrust upon the railroads of this country by the war have just been adopted by the conferences with authorized representatives of the Army, the Navy and the United States Shipping Board. The problem concerns the supply and prompt movement of thousands of cars required by the government to transport lumber and other supplies to the shipbuilding yards, the army cantonments

and other mobilization points. London, July 28 .- An attempt by

'Workers and Soldiers' Council," an organization recently formed on the lines of the soldiers and workmen's council, in Russia, to hold a peace meeting at the Brotherhood Church in Kingsland today, resulted in riotous scenes during which the interior of .620 the church was virtually wrecked and beth, N. J., where he lived with his Before the meeting could be called to order, a determined crowd, which included some wounded soldiers, rushed the doors and in spite of the stubborn resistance of those inside, forced their way into the church and demanded that the meeting be stopped.

A general melee followed. The crowd succeeded in driving the supporters of the meeting out of the church. Police reserves had considerable difficulty in restoring order. After the church had been cleared of the wounded, a Canadian soldier mounted to the organ gallery and delivered a patriotic speech. "Rule Brittania," and the national anthem were sung, during which the delegates were compelled to stand. A resolution, supporting the policy of the government, was then adopted amid cheers.
