EDISON DENIES BUILDING A GOVERNMENT MACHINE

Local Applicant Fails to Land Job at \$15 a Day.

Replying to a Wilmington man who had applied for a position with their plant in connection with the war mathine that they are reported as constructing, the Thomas A. Edison Co. Inc., of Orange, N. J., disclaim any connection with any such project.

The Wilmington man filed his application with the company after reading a story in The Star, which was gleaned from the Dillon, (S. C.) Herald, to the effect that a young man of that city had entered the plant of the Edison Co., to work on a war machine in process of construction, for which he was to receive a wage of \$15 a day, board and clothes. The story also alleged that the applicant agreed to refrain from communicating with the outside world for 11 months. The letter from the company fol-
