MONTENEGRO LOOKS TO WILSON FOR ITS SAFETY

Country Will Become a Part of the Jugoslavia State.

Paris, Nov. 7 .- (By the Associated Press.)-Montenegro looks to President Wilson to obtain for it a safe and independent future, the exiled Nicholas told the Associated Press today in discussing the future of his county now that it is being cleared of the enemy. The king said that he hoped Montenegro would become a part of the new state of Jugoslavia.

King Nicholas, who fled from his country when it was invaded and overrun by the Austrians in the winter of 1915-16, said he intended to return to his kingdom as soon as it can be arranged. He was distressed by reports of lack of food and other conditions in Montenegro.

The king showed the correspondent a telegram of appreciation and thanks from President Wilson in answer to one the king had sent the president. "The Montenegrin people," the king said, "put their trust in President Wilson to secure for them a safe and independent future."
