

LEADERS DISCUSS WAR REVENUE BILL

Possibility of Reducing Amount Gone Over.

No Decision Is Reached, But Various Members of Congress Oppose Reduction Owing to Uncertainty of Finances.

Washington, Nov. 11.—Peace today threw into conference between congressional leaders and treasury officials the question of whether the tax burden planned in the pending revenue bill can be lightened in view of prospective reduction of expenditures.

Senator Simmons, chairman of the senate finance committee, Chairman Kitchin of the house ways and means committee, and Secretary McAdoo discussed the problem but reached no conclusion. Mr. McAdoo said he would undertake an immediate survey of the government's tentative plans for reduction of the tax burden, for curtailing war orders and other phases of war-to-peace conversion, and make recommendations within a few days.

The uncertainty of future governmental financial needs and the urgent need of pushing revenue legislation to completion at an early date constitute the principal reasons prompting many congressional leaders, democrats and republicans, today to advocate the bill not be changed to reduce the revenue to any great extent. Already the senate has revised it so that the income is estimated at about \$6,250,000,000 instead of the eight billions provided by the original bill.

Demand for immediate steps to cut down expenditures is coming strongly from both parties in congress. Senators Borah and Smoot, republicans, in addresses in the senate today urged immediate curtailment of vast government expenditures and said Democratic Leader Martin would have great difficulty in carrying out his recently announced economy program unless the public is informed on details of all expenditures.

TO BE NO IMMEDIATE REDUCTION IN PRICES

Hoover Announces That While Some Foodstuffs Will Be Cheaper Others Will Be Costlier.

Washington, Nov. 11.—Immediate reduction of food prices as a result of the conclusion of an armistice cannot be expected. Food Administrator Hoover tonight in a statement said that while the prices of some food stuffs will decrease, others will increase.

"With the war effectively over," said Mr. Hoover, "we enter a new economic era and its immediate effect on prices is difficult to anticipate. The prices of some food commodities may increase, but others will decrease because, with liberated shipping, accumulated stocks in the hemisphere and the Far East will be available. The demands on the United States will change in character, but not in volume."

ARMY OFFICER RUNS DOWN AND KILLS RALEIGH BOY

(Special Star Telegram.)

Raleigh, Nov. 11.—Lewis Ferris, a newsboy, 14 years old, was run down and killed this morning early by an automobile driven by Lieut. Charles M. Kennedy of Camp Polk.

There seem to be no indications that the army officer was speeding when the accident occurred. The lad was on a bicycle near the corner of Hillsboro and McDowell streets, in front of the Church of God.

FINANCIAL ASSISTANCE TO ALLIES WILL BE CONTINUED

Washington, Nov. 11.—The government's policy of continuing financial assistance to the allies until their need is over or peace is actually signed, was emphasized tonight by a treasury announcement that a new credit of \$80,000,000 to France has been made. This brought the aggregate of loans by the United States to that nation to \$2,445,000,000 and the total to all allies to \$7,812,976,666.

Try Making Your Own Cough Remedy

You can save about \$2, and have a better remedy than the ready-made kind. Really done.

If you combined the curative properties of every known "ready-made" cough remedy, you probably could not get as much real curative power as there is in this simple home-made cough syrup, which is easily prepared in a few minutes.

Get from any druggist 2 1/2 ounces of Pinex, pour it into a pint bottle and fill the bottle with syrup using either plain granulated sugar syrup, clarified molasses, honey, or corn syrup, as desired. The result is a full pint of really better cough syrup than you could buy ready-made for three times the money. Tastes pleasant and never spoils.

This Pinex and Syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, irritated membranes so gently and easily that it is really soothing.

A day's use will usually overcome the ordinary cough and for bronchitis, croup, whooping cough and bronchial asthma, there is nothing better.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, and has been used for generations to break up severe coughs.

To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., 37, Wayne, Ind.

CONGRESS MEMBERS APPROVE ARMISTICE

Majority Interpret It As Unconditional Surrender.

Is Much Sentiment Favoring Punishment of Those Germans Responsible for Murders and Atrocities Committed.

Washington, Nov. 11.—Unanimous approval of the armistice terms imposed on Germany was voiced today by members of congress.

Unconditional surrender was the interpretation of most senators and representatives, although some expressed disappointment that demobilization of the German armies was not required. Sentiment for punishment of those responsible for murders and other atrocities also was voiced.

President Wilson's suggestion in his address informing congress of the armistice terms that the victorious nations extend aid to the peoples of the central powers in their efforts for self government and to prevent them from further suffering for want of food and other necessities of life also was commended.

Vice President Marshall said: "The president's address sets a high water mark in the annals of the justice of English-speaking peoples and of all the allies. For the future, justice must lead and not follow success."

Senator Penrose of Pennsylvania: "I assume the armistice terms are practically in effect to bring Germany's unconditional surrender and to disarm her so that she could not renew the war even if Germany wanted to."

Senator Simmons of North Carolina: "The armistice terms are all that readily could be asked for."

Senator Swanson of Virginia: "The terms of the armistice are most satisfactory. From now on, government will be responsive to the wishes of the people."

Senator Pomeroy of Ohio: "The terms of the armistice with Germany will be universally acceptable. One thing, however, the allies including the United States, must insist upon: that the officers and men guilty of the horrible reuelities which have shocked humanity shall be turned over to them for trial and punishment."

Speaker Clark: "The armistice terms seem to be all-embracing and most certainly will be satisfactory to the American people."

Democratic Leader Kitchin: "The terms are entirely satisfactory. They could not be better."

MORE DISEASE MADE REPORTABLE IN STATE

Verenical Diseases, Dysentery, Lobar and Bronco-Pneumonia and Paratyphoid So Classified.

(Special Star Telegram.)

Raleigh, Nov. 11.—The state board of health in special session here today adopted regulations making venereal diseases and several other additional diseases in North Carolina reportable, and mapped out plans for more intensive public health work for the coming year.

The new legislation with regard to venereal diseases makes available for this work in the state a federal appropriation of \$24,000 provided by a recent act of congress.

Dr. James A. Keiger, United States public health service, has been assigned to the state for this work, being attached to the state board of health as director of the bureau of social hygiene. In this action today North Carolina takes its place with more than two-thirds of the other states of the union.

Additional diseases made reportable are lobar pneumonia, broncho-pneumonia, dysentery, summer complaint in children, and paratyphoid. All members of the board were present, with the exception of Lieut. Col. Charles O'Hagan Laughinghouse, of Greenville, now in France, and Dr. Cyrus Thompson, detailed by military duties at his home in Onslow county.

BURGAW PEOPLE REJOICE

News Carried to Them by the Morning Star Most Appreciated.

(Special Star Correspondence.)

Burgaw, Nov. 11.—The news that Germany had signed the armistice this morning was received with satisfaction here and everybody is glad that the war is over.

At noon the principal of the high school, with his teachers, formed the students in a procession and with a large flag at the front and rear paraded the principal streets of the town, finally stopping at the monument where short speeches were made by C. E. McCullen, J. J. Best, Rev. P. L. Clark and others. During the parade all the bells of the town were rung and at the conclusion of the exercises the "Star Spangled Banner" and "America."

A great mass meeting was planned for tonight to continue the celebration and open the drive for the war work fund. It is believed that so far not a Pender county man has been reported killed during the war.

CREEL WILL REQUEST THE ABANDONMENT OF CENSORSHIP

Washington, Nov. 11.—Abandonment of all censorship on news, including withdrawal of the voluntary censorship request under which American newspapers have been operating since the United States entered the war, will be recommended to President Wilson soon by George Creel, chairman of the Committee on Public Information.

Mr. Creel said tonight that the domestic activities of the committee will be discontinued the last of this month. This was taken to include publication of the Official Bulletin and the dissemination of news from the various government departments.

ITALIANS CAPTURED 426,776 PRISONERS IN ABOUT 10 DAYS

Rome, Nov. 11.—The Italian armies have reached Brenner Pass in the Tyrolean Alps, the war office announced today.

SOLDIERS AND SAILORS TAKE CHARGE OF CITY

Riotous Scenes Accompany Celebration at Newport News and Much Damage is Done.

Newport News, Nov. 11.—Riotous scenes accompanied the celebration here tonight of the coming of peace. Thousands of soldiers and sailors took possession of the city. Street cars were wrecked, restaurants were raided, plate glass windows smashed and bonfires were made in the streets from anything that could be moved. Delivery wagons were wrecked and burned.

Alleged high prices charged for food were said to be responsible for the raids on restaurants in which much food was carried off and considerable property damage done. The street car service was completely demoralized. Soldiers and sailors took possession of the city and had done interesting and riotous things. They broke trolleys and chased away the crews. The civil or military police appeared powerless to interfere.

During the day and early morning more orderly celebrations were held. All plants and stores were closed and thousands marched in parades. After the mobs had forced suspension of the street car service, closed every business place on the central streets and had done thousands of dollars' worth of damage, two companies of guard troops were ordered out and they now are patrolling the streets with fixed bayonets. They have the situation under control and are requiring everyone, civilians and soldiers and sailors, to leave the streets.

A number of people were slightly hurt. Major Percy Hamilton who attempted to remonstrate with the riotous campaign, had a restaurant in which he and his wife were dining, was struck by a brick thrown by a sailor. A number of arrests have been made since the guard troops were called out.

BRYAN AT GREENSBORO

Douglas Fairbanks and Mr. Morgan-theau Here Also Speak.

(Special Star Correspondence.)

Greensboro, Nov. 11.—Greensboro was fortunate in having for its peace day orator William Jennings Bryan, who spoke to a tremendous crowd here tonight in connection with the war work campaign. Mr. Bryan is immensely popular here and the reputation accorded him was magnificent. His address was along broad lines and he fired his audience with enthusiasm as he spoke of the war and the victory that came to America in the early hours of today.

Another feature of the day was the appearance of Douglas Fairbanks at the passenger station at an early hour. He spoke for a few minutes from the platform of the observation car in the interest of the war work fund. Yesterday afternoon Ambassador Morgan-theau, who represented this country at Constantinople during the beginning of the war, was here in the evening and gave an instructive address in behalf of this fund in the municipal theatre. He was heard by an audience that filled the theatre to overflowing.

WHEN NEURALGIA ATTACKS NERVES

Sloan's Liniment scatters the congestion and relieves pain

A little, applied without rubbing, will penetrate immediately and rest and soothe the nerves.

Sloan's Liniment is very effective in allaying external pains, strains, lumbago, aches, stiff joints, sore muscles, bruises, neuritis, sciatica, rheumatic twinges.
