#### COAL AND FOOD SITUATION IN AUSTRIA EXTREMELY CRITICAL

Vienna, via Basel, Switz., Nov .19 .-M. Zerbik, minister of public works, has asked the Austrian foreign minister to address a telegram to the governments of the United States, Great Britain and France showing the extremely critical situation in Austria concerning coal and food.

The public works minister says there is no coal for the heating of houses and that the supply for cooking will not last more than a week. Mills and bakeries will be compelled to close, he adds, within a few days.

No further coal supplies are available to keep the railways running and gas and electricity services in Vienna cannot be kept running more than two or three weeks.
