PROPOSES MORE PAY FOR STATE'S TEACHERS

Senator-Elect Stevens, of Buncombe, Preparing to Wage Fight in Next General Assembly.

(Special Star Correspondence.) Asheville, Nov. 29.—Adequate compensation for school teachers will be his first aim of Judge B. Stevens, senator-elect from Buncombe county, when the general assembly convenes at Raleigh next January.

He already has introduced legislation to be introduced before the legislature, and will wage a campaign between now and the time the legislature meets in an effort to secure support from other legislators.

Judge Stevens points out that years of study are required to qualify a school teacher for the position involved, and that good stenographers, who are trained in a year or less, are able to command a better salary than the teacher. He intends to have the state equalize this condition in favor of the teacher, if he can put the necessary legislation through.

Judge Stevens also has some plans for ridding the state of the worthless dogs, in order to encourage the sheep industry in North Carolina.

ASHEVILLE WANTS THIRTIETH DEMOBILIZED AT CAMP SEVIER

(Special Star Correspondence.) Asheville, Nov. 29.—Asheville authorities are taking steps to secure, if possible, the demobilization of the "Old Hickory" division, containing all the Western North Carolina boys at Camp Sevier, Greenville, so that a special train can run from this city, carrying a crowd of Asheville people to welcome the boys home.

It is planned, if the government will demobilize the Asheville troops at that camp, to run as many special trains as required to carry the crowd, and to take a large portion of the population of the city to Greenville on the days the boys arrive, to give them a "welcome home."

GIVE \$25,000 TO THE MILLION-DOLLAR FUND

Albritton Family, of Calypso, Provide For Chair of Bible at Wake Forest College.

(Special Star Correspondence.) Raleigh, Nov. 29.—The "John T. Albritton Chair of the Bible" is the latest acquisition to the assets of Wake Forest College. This has been made possible by the munificent gift of \$25,000 to the million-dollar campaign for the Baptist schools of the state by Messrs. J. T. George, J. O., and W. S. Albritton and Mrs. W. S. Byrd and Mrs. D. P. Britt, of Calypso. The gift is made in memory and in honor of their father, Rev. John T. Albritton, who for many years was a very useful and highly honored minister of the Gospel in the North Carolina Baptist church.

The Albritton family conditioned their gift upon the raising of \$25,000 additional for the million-dollar campaign within the bounds of the Eastern state convention of that body which met at Warsaw Wednesday, at the call of H. L. Stewart, of Clinton. The Albritton proposition was readily and enthusiastically accepted, and it is thought that, with such inspiring examples before them, this association will go far beyond its allotment. The donors of this magnificent gift who are members of the Calypso Baptist church, declare that they will contribute their part of their church allotment in addition to their \$25,000.

Dr. W. R. Cullom, general manager of the million-dollar campaign, who was present at this conference, was in charge of the department of the Bible at Wake Forest for 22 years prior to his entrance upon his present position last June, though the chair of the Bible had never been endowed.

With the postponement of the "Baptist State convention" which was to meet in Greensboro next time limit for raising the million dollars has been extended to the meeting of the convention, which will probably be the first or middle of January. From many quarters most encouraging reports of the progress of the campaign continue to come to the central office here.

GREENE COUNTY NEGROES ARE VICTIMS OF WAR FRAUD

(Special Star Correspondence.) Winston, Nov. 29.—A nifty confidence man is suspected of having engaged in the latest "war drive" among Greene county negroes. A fund has been started there for the announced purpose of "bringing the colored soldiers back from France." It is reported that relatives of the soldiers are being told that the war is definitely over and that the men will be left overseas to get back as best they can. Greene county negroes are unusually patriotic. Without complaint they have set about raising the money to "fetch the boys home." Various patriotic agencies have set to work to combat the fraud.

LOGGING TRAIN CRASHES INTO HOUSE; FOUR ARE KILLED

Maryville, Tenn., Nov. 29.—Three persons are dead and four others are gathered at Boone's Bend air-drome, 11 miles southwest of Stuttgart, in a logging train crash down the mountain slopes near Slack Rock, ending only when it crashed into the home of Bunt Sloane.

The brakes of the train are said to have failed to work. Members of the crew jumped, and none were injured.

Bunt Sloane, his 15-year-old daughter and Mrs. Robert Brown were instantly killed, while two more of Sloane's children, Robert Brown and Sloane were injured by the crash.

PLANES WHICH WERE TO BE GIVEN UP RENDERED USELESS

Basel, Switz., Nov. 20.—One hundred and fifty airplanes which had been gathered at Boedingen air-drome, 11 miles southwest of Stuttgart, to be handed over to the allies in accordance with provision of the armistice, have been rendered useless by order of the revolutionary committee, according to a Stuttgart dispatch received here.

Calomel Today! Sick Tomorrow! I Guarantee Dodson's Liver Tone

Don't take nasty, dangerous calomel when bilious, constipated, headachy. Listen to me!

Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea. If you feel bilious, headachy, constipated and all knocked out, just go to your drugist and get a bottle of Dodson's Liver Tone for a few cents which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start

your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money. If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It is harmless, pleasant and safe to give to children; they like it.

GOOD PROGRESS MADE ON BIG SUPER-DREADNAUGHT

33,000-Ton Battleship Will Be Ready to Launch at Newport News Within a Few Months.

Newport News, Va., Nov. 29.—With the lifting of the voluntary censorship, it now is permissible to reveal that one of the great superdreadnaughts authorized in the 1916 three-year building program is well advanced in construction at the plant of the Newport News Shipbuilding & Drydock company.

The keel of the 33,000-ton battleship was laid after the country went to war, and in spite of the call made on this yard for 32 destroyers to fight the submarine, work on the big vessel has progressed satisfactorily. The hull has taken shape and probably will be ready for launching within a few months.

This monster man-of-war will mount eight 16-inch rifles in four turrets on the center line, two forward and two aft. Naval officials believe that she will be the equal if not the superior of any warship afloat. Four of these ships were authorized and another is to be built here and two by the Fore River Shipbuilding company at Quincy, Mass.

TAR RIVER ASSOCIATION OF BAPTISTS HELD AT BUNN

(Special Star Correspondence.) Bunn, Nov. 29.—The Tar River association, which was postponed some time ago on account of health conditions, has just been held in this town. Ivey Allen, of Louisburg, was chosen as moderator to succeed the late Rev. George M. Duke. Rev. Albert G. Wilcox, of Brinkleyville, was re-elected clerk for the forty-first time in succession. This was the fifty-third annual session of this body that he has attended.

Mr. Wilcox was appointed to preach the sermon at the next session of the association, which will meet with the Marris Chapel church at the regular time, Wednesday after the first Sunday in October.

The attendance upon this session of the association was very much reduced and the business was all crowded into one day and an evening session.
