To Subscribers

City subscribers to The Star whose subscriptions expire during the month of December are requested to call at the office on or before the 10th and renew the same in order that there may be no interruption in the service to them. Under the ruling of the War Industries Board and the policy of the circulation department of the paper in future, all subscriptions are payable strictly in advance and no deviation from the rule will be made where it is physically possible to discontinue on the day the subscription becomes due. It has been impossible to notify many, except by liberal advertising in the paper, which the subscriber may or may not have seen. If your paper fails to come and you are uncertain about your subscription, the safest plan is to enclose remittance for renewal and you will be given

credit for full amount.

We are prepared to issue negotiable receipts for cotton on storage.
