Buy a Dort and Use It

The only extravagant car is the unused or the useless car. A car in use is a car that is saving time and money. It is thrift to buy a car and use it.

The Dort is the sort of a car that is used -one that more than pays for itself. Light, easily handled, costing little for upkeep, there is no hesitancy about using it "early and often."

You can do more with a Dort to get you about quickly; you can do better by getting "on the ground" instead of telephoning; you will feel better because of the outdoor air you get in using your Dort

In any way you look at it, the Dort will increase your efficiency.
