GREAT REVIVAL IS ON AT LUMBERTON

Evangelist McLendon Stirs the People to Action.

Private James T. Smith Killed in Action—Ready Response to Red Cross Roll Call—Other News of Interest.

By F. GROVER BRITT.

Lumberton, Dec. 21.—A great religious revival is on in Lumberton. Evangelist Baxter F. McLendon, Bennettsville, S. C., who is conducting the campaign is preaching hell hot, life short, death certain and eternity long. The meetings are being held in the Bannockburn warehouse, First street, and thousands are attending the services. The meeting has been in progress two weeks and things are getting warmed up to the point where results

NATURE PROVIDES THE INGREDIENTS

Argo-Phosphate, the New Herbal Remedy, Now Endorsed by Local People. The digestive organs are not properly performing the work which nature has assigned to them, then nutrition, which is absolutely essential to the body, is not being carried on properly. When bodily nutrition is normal, the stomach digests the food, the blood absorbs and carries the nourishment to the different parts of the body, causing the various organs to properly perform their functions. Nature has provided a remedy in the form of Argo-Phosphate, the new stomach remedy, which is now being introduced here. It is purely vegetable and its vitalizing corrective and reconstructive qualities are so pronounced that beneficial results are noticeable from the first day. That this is not an exaggeration is proven by the statements made daily by local people who have given Argo-Phosphate a fair trial and have been benefited thereby. It is dispensed by Robert R. Bellamy, Lumberton.

can be seen. Old debts are being paid and people are writing letters to those whom they have not been friendly towards as a result of the preaching of the evangelist. Three services are held on Sundays—11 a. m. and 3 and 7:30 p. m. Two services are held during the week—3 and 7:30 p. m. The meeting will last several weeks. The music, under the direction of Prof. Carroll, a noted singer, is a feature of the services. McLendon is in a class with Billy Sunday as an evangelist.

He went to France in August and had only been at the front a few days when he was killed.

Lumberton people have responded almost solidly to the Christmas Red Cross roll call. Hundreds have shown that they had "a heart and a dollar." Lumberton people generally were pleased at the action of the Methodist conference in returning Rev. Dr. R. C. Beaman to Chestnut Street Methodist church and Rev. R. A. Robeson soldiers continue to arrive home on almost every train and many men in uniform can be seen on the streets at any hour during the day. Letters from some of Robeson's soldiers in France indicate that they were in Paris to greet President Wilson when he arrived there.

O. O. Duke, county farm demonstration agent, will address the farmers of Robeson in the court house here Tuesday, January 14. The meeting was arranged by the Robeson county Farmers' Union, but all farmers, whether members of the union or not are invited to attend the meeting.

Children Love Candy Cascarets

Careful mothers know that Cascarets in the home mean less sickness, less trouble, less worry, less cost. When one of the kiddies has a white tongue, feverish breath, sour stomach or a cold, a Cascaret quickly and harmlessly "works" the poisons from the liver and bowels and all is well again.

TO MOTHERS! While all children detest castor oil, calomel pills and laxatives, they really love to take Cascarets because they taste like candy. Cascarets "work" the nasty bile, sour fermentations and constipation poison from the child's tender stomach, liver and bowels without pain or griping. Cascarets never disappoint the worried mother. Each 10 cent box contains directions for children aged one year old and upwards.
