**Victoria**  
The Thunderbolt, the first of Katherine MacDonald's first National attractions, and her first starring vehicle since "The Woman Thou Gavest Me," a story of the strangest marriage on record, is the attraction at the Victoria for three days opening this afternoon with matinee, and at regular Victoria prices.

Katherine MacDonald has been accorded the distinction of being the most beautiful woman on the American screen, and her initial First National attraction has been anxiously awaited, and is one of the sensations of the year, telling the story of a man, who deliberately married a woman—beautiful and cultured—whom he hated, to deny her the sacred right to motherhood for her whole life.

Uncomplainingly, Ruth is forced into the marriage to Corbin, fully knowing that she hates him and that she loves another man, whose affection she is denied. However, the meekness on the part of the girl is turned into a stubborn resistance when she is told that Corbin married her not out of admiration but to make good on his father's charge—that he "get the last of the Pomeroy's." How the girl, fighting for the honor of the Pomeroy's, beats the man fighting for the honor of the Corbins, makes one of the greatest picture sensations of the year.

**Grand**  
Wallace Reid, who is starred in "You're Fired," a new Paramount picture which comes to the Grand theatre today, expresses himself as being delighted with this opportunity

to again portray a comedy role. Several of his recent productions have been dramatic, but the star's talents are just as effective in a light comedy role.

In this production Mr. Reid plays the part of a young man who wishes to marry the daughter of a railroad magnate. But as a general rule, railroad magnates are inclined to be particular about the qualifications of young men who want to marry their daughters.

This particular magnate, however, agrees that the hero shall have the girl if he can work three months without being fired. How, after resigning several jobs in the nick of time to keep from being fired, the hero turns a little trick that means millions to prospective father-in-law and thus wins the old man's consent, is one of the most amusing situations ever provided the star.

**Coming to Victoria**  
The friendship of two men which went so far that one begged the other to kiss his fiancée, in order to win her over to the idea of kissing before marriage, is one of the startling forces of "The Beloved Cheater" in which Lew Cody will be seen at the Victoria theatre for three days starting on next Monday. This is a Robertson-Cole special picture which was produced by L. J. Gasner.

The central character of the film is Bruce Sands, a fascinating bachelor about whom the girls are "crazy." He is approached by his bashful friend, Kingdom Challoner, who says that his (Challoner's) fiancée, Eulalie Morgan, objects to being kissed even after she is engaged. What shall he do to make her see things aright, he asks of this man versed in the nature of women.

**"Kiss Her" Advice**  
Sands suggests that his friend just naturally kiss Miss Morgan, holding that after it once has been done it will not be so hard in the future. Challoner says he would not dare, and suggests that matters be so arranged that his friend can act as proxy and kiss the girl for him. This is finally agreed upon.

**Bijou**  
The great submarine sensation at the Grand the past two days will go down to the Bijou today for one day's showing, and those who missed the official pictures of the escapades and ruthless destruction wrought by the features, each one of which is worthy craft will have an opportunity to see it at the Bijou today.

An all-star bill of big pictures will be shown at the Bijou today, four big features, each one of which is worth of first mention on the bill.

A special big attraction for the day is Hearst News, the greatest of all screen newspapers, with wealth of big

news events of the past week shown in pictorial form as photographed by the Hearst news photographers in every part of the civilized globe.

A big new Mabel Normand Keystone comedy, with a cast of Keystone stars it would be impossible to assemble for a new picture now.

Pathe Review, the big magazine reel, containing among other things the marvelous Pathe slow motion photography and the beautiful color scenes, will be another feature, and a very attractive Tom Mix western drama completes the bill.

**"Puck and Judge" Academy**  
For completeness, originality, catchy melodies, beautiful girls, fun and splendor the latest offering of Gus Hill, "Puck and Judge and the Bathing Girls," which will appear at the Academy of Music, Saturday, matinee and night, January 24 is sure to create more talk than any attraction seen here this season. It is a farce comedy with a musical setting in three acts and each a veritable howl in itself. Fun of the rampant kind, laughter that will rock the theatre from end to end are only a few of the ingredients contained in this particular entertainment. It is something different in the musical comedy line and that alone should suffice for its cleverness and qualities to amuse. The management promises a splendid cast of Broadway players and a very attractive array of beautiful bathing girls who will wear the latest French creations. The matinee prices will be from 50c to \$1. Night prices will range from 50c to \$1.50. Tickets will go on sale at Elvington's tomorrow morning.

**NEW POLICY FOR REIDS HELD FOR DEPORTATION**

Boston, Jan. 20.—A new policy for handling the cases of persons detained at this port for possible deportation as radicals by which the suspects will be released on nominal bonds after brief hearings was announced today by Henry J. Skeffington commissioner of immigration here.

The 350 persons now held at Deer Island should be at liberty by Thursday or Friday under the new plan, he said. Bonds will be set at \$1,000 each except in the cases of certain individuals who will be asked to give security in greater amounts.

**HUNGARIANS OBJECT TO TREATY.**  
Buda Pest, Hungary, Jan. 20.—Resentment over the terms of the peace treaty recently presented to the Hungarian delegates at Neuilly is continuing to be voiced by the president and by political leaders. In a speech yesterday Premier Huszar said:

"Hungary's coffin is being built at Neuilly. We are impotent, but never for a moment will we renounce our claims. We will wait until we are strong again and then convert our enemies by diplomacy—not by arms—confident in our historic powers of resistance and endurance."

**SENATORS RELEASE THREE**  
Minneapolis, Minn., Jan. 20.—Ike Davis, infielder, and Molly Craft and Clarence Fisher, pitchers, have been obtained from the Washington Americans by the Minneapolis American association team, it was announced today.

M. P. Jones and Lee Priest were in the city yesterday for a few hours, on business.

**FOGGY?**  
If Bilious, Constipated or Headachy take "Cascarets."

Tomorrow the sun will shine for you. Everything will be clear, rosy and bright. Your system is filled with liver and bowel poison which keeps your skin sallow, your stomach upset, your head foggy and aching. Your meals are turning into poison, gases and acids. You can not feel right. Don't stay bilious or constipated. Feel splendid always by taking Cascarets occasionally. They act without griping or inconvenience. They never sicken you like Calomel, Sella, Oil or nasty, harsh pills. They cost so little too—Cascarets work while you sleep.—Adv.

**Inventive Genius Makes Aspirin Safe for Heart**

Improved Tablet, Called Aspiritone, Retains All the Medicinal Virtues, But Is Slightly Stimulating Instead of Depressing to the Heart—Does Not Upset the Stomach.

Physicians and druggists are delighted with Aspiritone, the improved aspirin tablets, that do not depress the heart nor upset the stomach. All who have tried the new tablet are delighted with its quick and agreeable effect and claim that it is much more effective and in every way superior to the old style aspirin. Physicians maintain that its safety alone should give it preference over all other remedies for headache, neuralgia, rheumatism and especially for severe colds and influenza, in all of which diseases the heart is said to be weakened and should be stimulated rather than depressed.

The new Aspiritone is slightly stimulating instead of depressing to the heart. It relieves pain, fever, and the tendency toward congestion of pneumonia quicker and more completely than does aspirin, and is entirely free of the heart depressing effect. Many persons of weak heart whose lips become pale and blue or who are depressed and made sleepy by aspirin find Aspiritone free from these objectionable qualities.

Aspiritone tablets may now be had at all first class drug stores everywhere, in sized packages, at prices thirty-five cents.—adv.

**SOUTHPORT LEGION ELECTS OFFICERS FOR THE YEAR**

Johnston Post No. 32, American Legion, at Southport, held a meeting for the election of officers in the Army and Navy club Saturday night at 8 o'clock. The following officers were elected for the ensuing term: Post commander, Mr. Davis; adjutant, Sergeant Balaz; finance officer, Mr. Berg; historian, Sergeant James; chaplain, Dr. Doshier; executive committee, Sergeant Hanlon, English Taylor, Mich Klise, E. E. Newton.

Following the business meeting, refreshments were served the legion by the women of the post. An enjoyable dance was the next thing taken up at this meeting, and from reports coming through, seems to have carried unanimously.

The Southport legion is perfecting plans for another dance to be held on the night of February 22, to which the Wilmington post and other Wilmington friends will be invited. This is to be a masquerade dance, and elaborate preparations are being made for it. The Wilmington legion is asked to bear the date in mind.

**WILDE AGAINST ERTL**  
Milwaukee, Wis., Jan. 20.—Jimmy Wilde, English flyweight champion boxer, will meet Mike Ertle of St. Paul on January 29 before a local club. Ertle is to weigh 115 pounds, according to agreement. Ertle takes the place of Frankie Mason of Indiana, who originally was booked to meet Wilde.

**HE RODE WITH MORGAN**  
Greenwood, S. C., Jan. 21.—James Rogers, 75, reported to have participated in every raid made by Morgan's men during the Civil war, died here today. He was a native of Kentucky.

**A Safe Treatment For Croup**

Thousands of children die every year from this swift and terrifying disease. Every mother should keep on hand a reliable first aid remedy, and there is no safer or surer treatment for croup and congestion than to apply

**MOTHER'S JOY**  
Croup and Pneumonia SALVE

It is harmless and soothing. You just rub it in and can apply it to the tenderest skin without irritating effects.

Keep Mother's Joy Salve on hand for emergency cases. Doctors and nurses recommend it. Good druggists sell it.

New Elixir, Called Aspirinal, Medicated With Latest Scientific Remedies, Used and Endorsed by European and American Army Surgeons to Cut Short a Cold and Prevent Complications.

Every Druggist in U. S. Instructed to Refund Price While You Wait at Counter If Relief Does Not Come Within Minutes.

Delightful Taste, Immediate Relief, Quick Warm-Up.

The sensation of the year in the drug trade is Aspirinal, the two-minute cold and cough reliever, authoritatively guaranteed by the laboratories; tested, approved and most enthusiastically endorsed by the highest authorities, and proclaimed by the common people as ten times as quick and effective as whiskey, rock and rye, or any other cold and cough remedy they have ever tried.

All drug stores are now supplied with the wonderful new elixir, so all you have to do to get rid of that cold is to step into the nearest drug store, hand the clerk half a dollar for a bottle of Aspirinal and tell him to serve you two teaspoonfuls with four teaspoonfuls of water in a glass. With your watch in your hand, take the drink at one swallow and call for your money back in two minutes if you cannot feel your cold fading away like a dream within the time limit. Don't be bashful, for all druggists invite you and expect you to try it. Everybody's doing it.

When your cold or cough is relieved, take the remainder of the bottle home to your wife and babies, for Aspirinal is by far the safest and most effective, the easiest to take and the most agreeable cold and cough remedy for infants and children.—Adv.

**DOCTORS USE CALOTABS FOR COLDS AND FLU**

Influenza and Grippe, Like Ordinary Colds, Require Calotabs, the Purified and Refined Calomel Tablets That Are Nausealess, Safe and Sure.

Physicians and druggists claim that the great epidemic of influenza has conclusively demonstrated that the quickest relief for a cold and the best preventive of influenza and pneumonia is to keep the liver active so that the digestive organs may be in perfect condition. For this purpose Calotabs, the new nausealess calomel tablets that are free from the sickening and weakening effects, is the most thorough and dependable, as well as the most agreeable laxative.

Calotabs have the special advantage of not making the patient sick and weak, as they do not upset the digestion and appetite. One Calotab at bedtime with a swallow of water—that's all. No salts, no nausea, nor the slightest interference with your eating, pleasure, or work. Next morning your cold has vanished, your liver is active, your system is purified, and you are feeling fine with a hearty appetite for breakfast.

For your protection, Calotabs are sold only in original sealed packages, priced 85 cents. Sold by all druggists and your money back if you are not delighted with them.—Adv.

**Cured His Rupture**

I was badly ruptured while lifting a trunk several years ago. Doctors said my only hope of cure was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely cured me. Years have passed and the rupture has never returned, although I am doing hard work as a carpenter. There was no operation, no lost time, no trouble. I have nothing to sell, but will give full information about how you may find a complete cure without operation, if you write to me, Eugene M. Pullen, Carpenter, 186 E. Marcellus Avenue, Manassas, N. J. Better cut out this notice and show it to any others who are ruptured—you may save a life or at least stop the misery of rupture and the worry and danger of an operation.
