New York, Jan. 27 .- The cotton maran early decline followed by rallies on covering. May sold up from 33.93 of colored at 34.15, with the terrational credit situation. general closing steady at a net decline of five to twenty points.

market opened steady at a dedine of twelve to thirty-three points y talk of an easier spot basis in parts of the south. After show-parts of the south. After show-pings and tobaccos, the latter improving on the stock dividend declared by United Cigars. For all practical purposes, the market turned steadlittle trade buying and cover-The latter may have been due he absence of any news from the goods trade to confirm yesterday's ru-mors regarding cuts in the price of some leading brands, but trading became very quiet on comparatively modgate railles and advances were not sustained. March sold up from to 36.08 and July from 32.03 to 13.33, with the close a few points off from the best under realizing or local galling inspired by the further decline

sterling. Reports from the goods rade again indicated offerings by hands at concessions but no weakness was reported at first hands, and Manchester cables said that yarns were firm with a good business doing in clothes. Local brokers attributed the small volume of business partly to delays in the wire service resulting from inclement weather and partly to nervousness over general conditions and a disposition to await further de-

 <th NEW ORLEANS COTTON

New Orleans, Jan. 27.—The cotton market fell off for small declines to-day, mainly as a result of less favor-able conditions abroad and the money situation in this country. The raise in interest rates by local banks served bring finances to the front again. Cables were indifferent and helped Corn Products eline was continued until it amounted Cuba Cane Sugar 51%

to \$2 to 42 points. region brought in something of a de-ng to within 2 to 12 points of yester- | Gulf States Steel 80

The map caused bullish comment because of the rains in the eastern belt and the cold weather in the western elt. Private reports from the west were to the effect that the soil was very wet, with standing water in the fields in many sections, so that plowing has become very backward. It was generally considered that the low emperature would have the effect of preventing the wet fields from drying ut. At the same time weather condi-Futures: Open High Low Close

COTTON SEED OIL.

New York, Jan. 27.—Cotton seed oil was lowered under scattered liquidalion induced by the heaviness in lard and cotton and depression in foreign exchange. Closing prices were 18 to 19 net lower. Sales, 15,100 barrels. Prime crude, 1.95; sales; prime summer yellow spot, 21,50; March 21.66; May, 22.10; July 22.20. Prime winter yellow and summer white nominal.

ORVIS COTTON REPORT.

New York, Jan. 27-With the demand or sterling down to the new low re-ord of 3.564, and continuation of talk about contraction of loans, local senti-ment today continued bearish. The went today continued bearish. The volume of business was restricted on account of wire troubles. Nevertheless the markets tone was steady and the undertone good. The very fact that prices do not break with adverse feeling to the market prevailing would indicate that any new bullish development may be expected to advance prices quickly. Exports today 33,687 bales; so far this season 3,630,529 compared with 2,373,485 last year. pared with 2,373,485 last year. ORVIS BROS. AND CO.
