SICK WOMEN HEAR ME

You Can Be Free from Pain as I Am, if You Do as I Did.
Harrington, Me.—"I suffered with backache, pains through my hips and such a bearing down feeling that I could not stand on my feet. I also had other distressing symptoms. At times I had to give up work. I tried a number of remedies but Lydia E. Pinkham's Vegetable Compound did me more good than anything else. I am regular, do not suffer the pains I used to, keep house and do all the work. I recommend your medicine to all who suffer as I did and you may use my letter as you like."—Mrs. MINNIE MITCHELL, Harrington, Me.
There are many women who suffer as Mrs. Mitchell did and who are being benefited by this great medicine every day. It has helped thousands of women who have been troubled with displacements, inflammation, ulceration, irregularities, periodic pains, backache, that bearing down feeling, indigestion, and nervous prostration. Lydia E. Pinkham's Vegetable Compound contains no narcotics or harmful drugs. It is made from extracts of roots and herbs and is a safe medium for women. If you need special advice write Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass.

To Peel Off Freckled, Blotchy, Pimpled Skins

As March winds, flying dust and dirt, are apt to injure any complexion, this information, will be of special value right now. If you have any cutaneous blemish, don't use paint, powder or any other thing to cover it up. Too often this only emphasizes the defect. Besides, it's much easier to remove the disfigurement with ordinary mercurized wax. Applied nightly, the wax will gradually remove freckles, pimples, moth patches, sallowness, red or yellow blotches or any surface eruption. The affected cuticle is absorbed, a little each day, until the clear, soft, youthful and beautiful skin beneath is brought wholly to view. Ask the druggist for one ounce of mercurized wax and use this like you use cold cream. Remove in the morning with soap and water. Many who have tried this simple, harmless treatment report astonishing results.—Adv.

HEAD OF RAILWAY UNION HAS RESIGNED HIS OFFICE

Detroit, Mich., March 23.—Allen E. Barker, grand president of the United Brotherhood of Maintenance of Way Employees and Railway Shop Leaders announced today he had resigned that office. Announcement

I herewith beg to announce myself as candidate for the nomination for the State Senate representing New Hanover and Brunswick counties, to be voted on at the Democratic Primary to be held in New Hanover County in April.
In entering the race for this office, I put my candidacy squarely before the people of this community without pledge or promise to any individual or group of individuals, with the realization that the office which I seek is one of service to the state in general and to this community in particular and with a deep appreciation of the responsibilities which go with it.
If elected, I intend to favor such legislation as will make for, what I believe to be, the welfare and the best interest of the whole people whose representative I am.
I am opposed to the passage of important legislation, without notice to the individuals or class of individuals whom it affects.
Believing, as I do, that to every public question, there are two sides, it will be my purpose to fully acquaint the people of this county and district with the substance of all pending legislation which materially affects their interest in order that in the performance of the duties of the office, I may, so far as I am able, reflect the will of the majority of the people.
K. O. BURGWIN.
