BICKETT'S HANDS FULL WITH CAROLINA WOMEN

Will Not Interfere In Suffrage Matters In Other States.

Raleigh, N. C., March 23.—Governor Bickett today declined the request of Miss Sue White of suffrage headquarters at Washington that he send a telegram to the governor of Delaware asking that he urge the legislature of that state to ratify the Susan B. Anthony suffrage amendment. Governor Bickett felt that in view of his recent announcement that he would ask the special session of the North Carolina legislature to be held in June, to ratify the amendment, he would have his hands filled with the question in this state.

RHEUMATISM

Physician Believes a Real Remedy For The Disease Has Been Found

Rheuma, the wonderful rheumatism remedy sold by druggists everywhere, gives quick and more lasting relief than other remedies costing many times as much.

Rheuma helps pass the deadly poisonous secretions into the bowels and kidneys, from which they are quickly thrown out in a natural, healthy way. Read what a reputable physician says about Rheuma: "I have made a most careful investigation of the formula employed in the manufacture of Rheuma, and I heartily recommend it as a remedy for all forms of rheumatism. I find Rheuma far in advance of the methods generally employed in the treatment of rheumatism, and altogether different in composition from the remedies usually prescribed."—Dr. M. C. Lyons.

This should give any sufferer from rheumatism confidence to try Rheuma. R. R. Bellamy will supply you and guarantee money refunded if Rheuma does not give complete and lasting relief.—Adv.

MANY PEOPLE "DYNAMITE" THEIR BODIES

Yet, There Is a Gentle, Better Way

When the body clogs don't try to clean out the accumulated poisons by using strong physics that tend their way through the tender intestinal tracts like so much dynamite.

Use Sloan's Relief Tablets. They're gentle as nature and yet do the work unflinchingly. Body grips, and pains which accompany the use of physics of the "dynamite" class, are never felt when Sloan's Relief Tablets are used.

Besides, they cause no habit. In fact, they will release any one now in the toils of a habit forming physic. Demand, buy and use Sloan's Relief Tablets always. Distributed by the Sloan Products Co., 8 Factory Street, Derby, Conn.—Adv.

SOMETHING for NOTHING

Banking service is an exceedingly valuable agency in one's security and success—yet it is absolutely free to all. Jewels And Bank Accounts

JUST as the ownership of precious jewels marks a man as well-to-do, a bank account stamps him as responsible. The down-and-out, the ne'er do well, the man who is continually "broke" is never a depositor in a bank—the two don't go together. The wise man is the man with the bank book—he has ready proof of his dependability. We pay 4 per cent on savings accounts.
