A ruling on the proposition will in all probability be made by the state board of elections should it turn out that the first primary has failed to nominate a man for first place. Stacy, Guion and Adams are contesting for third place on the ticket. The apparent cut in the majority of M. L. Shipman over C. D. Dillinger this year as compared with the race between these two four years ago is one of the surprising features of the primary. Dillinger, it seems, will poll a consid erably larger vote than he did four years ago when he carried only eight counties in the state, losing even his own home county.

B. F. Renfrow has evidently polled a better vote for state treasurer than friends of Lacy expected he would. The convention is absolutely open. Not There is little doubt about the nomination of Stacy W. Wade for insurance commissioner and of Major W. A. Graham for commissioner of agricul-

## Is Backache Slowing "Every Picture Tells a Story" lou Up

RE you dragging along week after week with a dull, throbbing backache? Do you feel lame in the morning, tired all day; suffer sharp, torturing twinges at every sudden move? Then there's something wrong! So why not find out what it is and try to correct it? You may never have suspected your kidneys, yet often it's the kidneys that are at

fault. A cold, a strain, or overwork congests the kidneys and slows them up; poisons accumulate in the system and many mysterious aches and pains result. You may have headaches and dizzy spells, too, with perhaps some annoying bladder irregularity. Don't wait for more serious trouble. You owe it to yourself to get well and stay well. Use Doan's Kidney Pills. They have helped many Wilmington folks. They should help you. Ask your neighbor!

## These are Wilmington Cases:

S. NINTH STREET

A. Fred DeVere, interior decorator, 117 S. Ninth street, gave the following statement April 6, 1915: "I have taken Doan's Kidney Pills off and on for the past seven or eight years and found them to be an excellent remedy. Prior to using Doan's Kidney Pills I was subject to painter's collic. My back ached something awful and my kidneys were congested. Doan's Kidney Pills soon rid me of this trouble and I have recommended them to many people since."

On June 4, 1918 Mr. DeVere said: "I am glad to again say a good word for Doan's Kidney Pills. I know Doan's are just as represented.

S. SIXTH STREET

J. F. Littleton, 610 S. Sixth street, says: "My kid-neys caused me considerable trouble. The trouble started with a dull pain across the small of my back and sometimes I couldn't rest. My kidneys didn't act. properly and my whole system was in pretty bad shape. Seeing Doan's Kidney Pills recommended so highly I began taking them. Three boxes put my kidneys in good condition again and I felt as strong as ever." (Statement given April 5, 1915). On June 5, 1918 Mr. Littleton said: "Doan's Kidney Pills cured me of kidney complaint. My former statement still holds good."

WALNUT STREET

J. F. Smith, 215 Walnut street, says: "I had trouble with my back and kidneys some time ago. My back ached all the time and I felt all run down. I could hardly bend on account of the sharp pains that went through me. I had dizzy spells and black specks came before my eyes. Mornings I was lame and sore and could hardly get around, and my kidneys didn't act properly. Finally I began taking Doan's Kidney Pills. Doan's cured me and I haven't had any trouble since."

NO prokage of Doan's Kidney Pills is genuine unless it bears the maple-leaf trademark and the signature-"Jas. Doan."

ANN STREET

Mrs. Geo. T. Grotgen, 600 Ann street, says: "Occa-sionally my kidneys would get in a congested condi-tion and my back ached so I could hardly endure the misery. I was nervous, couldn't rest well and felt sick all over. Doan's Kidney Pills were recommended to me, so I got a supply at Hall's Drug Store, and began taking them. Doan's brought relief from the first and three boxes overcame all this trouble." (Statement given April 6, 1915).

On June 4, 1918 Mrs. Grotgen said: "I think just as highly of Doan's Kidney Pills now as when I recommended them before."

N. EIGHTH STREET

Mrs. Annie L. Jordan, 120 N. Eighth street, says: "My back ached all the time and I was so weak I could hardly lift anything. Sitting so much in one position is what brought on this trouble and when I stooped over or tried to lift anything, sharp pains shot across my back. I often got dizzy and black specks came before my eyes, and my back was lame and sore: I was nervous and had headaches and my kidneys didn't act properly. Finally I got a supply of Doan's Kidney Pills at Bellamy's Drug Store and two boxes rid me of every trace of this trouble. I have had none of this complaint since."
