

EASTERN CAROLINA TOBACCO SEASON ON First "Breaks" of Bumper Crop Will be Sold in Scores of Warehouses

KINSTON, Sept. 6.—Tomorrow ushers in the eastern Carolina tobacco season. It will be the most eventful day of the year for the region. First "breaks" of a bumper crop of the best quality "weed" grown anywhere in the world will be auctioned off on scores of warehouse floors in dozens of markets. Indications are that several million dollars will change hands the very first day, though opening day sales are usually regarded as "test" sales and the breaks do not approach the bulk of those of the midseason period. The number of planters selling tomorrow will be large; thousands of growers attend the initial sales to "see how things are going."

Rough estimates place the value of the crop in this small belt at a sum much in excess of the value of the entire Kentucky crop. One hundred millions, one hundred and fifty millions—to such heights soar the off-hand valuations placed upon the crop by warehousemen. It would not surprise some if the season's total goes to \$175,000,000. This wealth will be distributed between the "big four" markets, Winston, Kinston, Greenville and Rocky Mount, and dozens of lesser marts, including Warsaw, Wallace, Goldsboro, LaGrange, Richlands, Snow Hill, Washington, New Bern, Farmville and others. Predictions generally favor prices equal to last year's, which were record-breaking. Eastern Carolina produces a superior tobacco and to pay well in demand it. Markets may break in other belts, but those in this belt are not affected. Cigarette manufacturers in America and abroad are glad to get the local product and to pay well in order to get it. Connecticut, Kentucky, western and central North Carolina, South Carolina, Georgia, Pennsylvania, some of the Central and Great Lakes states, most of the Latin-American countries, China, the East Indies and a few other countries produce Raleigh's seductive weed, but none can claim a product of such richness of color, flavor and texture as that grown at Newport, Pink Hill, along the Neuse and Tar rivers and elsewhere in this region.

Public School Opened The public schools here opened today with every classroom crowded and grades holding forth in the basements. The increase in enrollment was considerable. The number of teachers was increased. Because of the housing shortage some of the non-resident instructors were provided with quarters with difficulty. The congestion in the buildings, which was serious last year, was aggravated by the numbers of new pupils. The school authorities expect conditions to be improved by next fall. They will submit their proposal for a \$300,000 bond issue to the voters in a few weeks, and expect the women voters to put the issue through. This will provide new schools, a teachers' dormitory.

May Licensee Price List Doubling of rates fixed by the municipality by draymen and taxi drivers here, with the failure of persons overcharged to notify the police, may cause all vehicles to be placarded with lists of legal charges and advice to patrons to refuse to pay more. The public vehicle ordinances have been entirely disregarded, it is charged.

Marion

MARION, S. C., Sept. 5.—Mrs. M. C. Woods and son, Eddie, left Tuesday afternoon for a two-weeks' stay in Washington and New York city. Miss Cora Davis is at the St. Francis Xavier in Charleston under treatment for ulcerated eyelids. Last reports are that she is slowly improving. Mrs. F. F. Covington and daughter, Miss Bessie, have gone to Hendersonville for the month of September. Mr. and Mrs. W. H. McAllister, of New York city, are spending a few days here.

Mr. R. J. Blackwell returned Saturday from Montgomery, Ala., where he was sent to represent the cotton growers of Marion county. Mrs. John Woods, of Darlington, has been the guest of Mrs. A. F. Woods this past week. Mrs. C. A. Woods entertained at bridge Friday afternoon in honor of Mrs. John Woods. The honoree was presented a dainty gift and the table prize, beautiful potted ferns were given to Mrs. P. W. Johnson and Mrs.

Rub-My-Tisam is a powerful antiseptic; it kills the poison caused from infected cuts, cures old sores, tetter, etc.—Adv.

LETTER FROM MRS. BRUCE

Tells Remarkable Story of Sickness and Recovery.

Brooksbury, Ind.—"When I was a young girl I clerked in my father's store and lifted heavy boxes which caused displacement and I suffered greatly. I was married at the age of eighteen and went to a doctor about my trouble and he said if I had a child I would be all right. After three years twins came to us and I did get all right but I did get all right but I was troubled again. I could scarcely do any work at all and suffered for four years. A neighbor told me about Lydia E. Pinkham's Vegetable Compound and I took it for a year or more. Now I have a baby girl and do not have any female trouble. You can do anything you like with my letter to help others."—Mrs. J. M. BRUCE, R. F. D. 3, Brooksbury, Ind.

The makers of Lydia E. Pinkham's Vegetable Compound have thousands of such letters as that above—they tell the truth, else they could not have been obtained for love or money. This medicine is no stranger—it has stood the test for more than forty years. If there are any complications you do not understand write to Lydia E. Pinkham Medicine Co., (confidential), Lynn Mass.

A. McIntyre. The hostess served a delightful sweet course, assisted by Mrs. A. F. Woods and Miss Mae Woods. Lieut. and Mrs. Edwin Godbold arrived Wednesday night to spend some time with Mr. and Mrs. D. E. Godbold. Mr. J. M. Johnson spent several days in Orangeburg this week. Mr. J. D. Murchison, of Florence, spent Monday in Marion. Mrs. Geo. J. Holliday, Miss Flornamay Holliday, Master Joseph Holliday and Mrs. Emma C. Johnson, of Gallvanta's Ferry, spent Monday with Mr. and Mrs. P. W. Johnson.

The condition of Miss Meta Nichols, who was operated upon for acute typhoiditis in Toledo, O., is greatly improved. Miss Nichols and Miss Sadie Hewitt will return to Marion in about two weeks. Miss Meta McKain is visiting friends in Marion.

The young people here enjoyed dancing at the Phoenix warehouse Tuesday night. Music was furnished by the Meyer-Lewis orchestra. Mr. and Mrs. C. J. Crane and Dr. T. W. Hamilton have returned home after a delightful motor trip through Canada.

Mr. and Mrs. R. P. Blackwell, Messrs. John H. Blackwell and A. B. Cook have returned from a trip to northern cities. Mr. C. Lane spent several days in Mr. Airy, N. C., with his mother, Mrs. M. C. Lane.

Atkinson

ATKINSON, Sept. 5.—Mr. and Mrs. Morrisette and son, of Norfolk, spent a week with Mr. and Mrs. L. M. Thompson. Mrs. Morrisette is a sister of Mrs. Thompson.

Miss G. Skipper has returned to her home in Town Creek, after a visit to Miss Lizzie May Pope and other relatives.

Mr. and Mrs. W. M. Bolce have moved into their handsome home on the corner of Church and College streets.

All the roads around Atkinson have been worked and improved lately. The road to Rooks has been nearly finished and will be completed as soon as crops are gathered. A force of hands is working on the Long View road. The contract for the Beatty's bridge road has been let and work will begin soon. We learn that it will follow the Corbett road from Beatty's bridge for about a half-mile, thence in a straight line towards Atkinson, passing west of the William McKeithan mill. Just beyond the mill it will turn to the left and cross the railroad.

The school begins here Monday with the following teachers: Principal, E. A. Lee; assistant principal, Miss Virginia Barrow; seventh grade, Mrs. Lena Hawes; fifth and sixth grades, Mrs. Pannie Henry; third and fourth grades, Miss Winnie Smith; second grade and music, Miss Clarice Fore; first and second grades, Miss Estell Moore.

There is a big demand for houses by those wishing to put their children in high school. Mrs. S. E. Lindsay and son, Kemp, have returned from an extended visit to relatives in Virginia.

POSTUM doesn't "let you down" Many coffee drinkers who have tried the change to Postum feel better; and know "There's a Reason"

Husband and Wife Both Felt the Need of a System-Builder, So They Took Ziron. Read Husband's Story.

"I BECAME INTERESTED in Ziron Iron Tonic, so bought a bottle for my wife, who had been in a bad state of health for a number of years," writes Mr. W. C. Christenbery, of Milan, Tenn. "She had poor appetite, headache, digestion was bad, and she was in a tired, run-down condition generally. "She had taken a great deal of different kinds of medicines, receiving very little benefit from any of them, but she began to improve from the first bottle of Ziron. "And I was not in much better condition than my wife, so I began taking it, also, and am greatly improved. "We both, together, have used six bottles of Ziron; results have been highly satisfactory; do not hesitate to recommend it as a tonic and builder to those needing a tonic. "Ziron is a tonic for your blood and nerves—a general system-builder, good for pale, weak, anemic men and women and children. "You will find Ziron Iron Tonic on sale at all good druggists. "Try it. The druggist will refund your money if you fail to notice beneficial results after taking one bottle. We repay him, so you needn't hesitate to take advantage of the plan that we have arranged for your protection. "Be sure you get Ziron.—(Adv.)"

Suburban Schedule In Effect Tuesday, September 7, 1920

Table with 2 columns: LV. WILMINGTON and LV. BEACH. Lists train departure times from 6:25 A.M. to 12:00 Midnight.

Text: "You may go anywhere in the South—and you will be amazed at the popularity of the MILLER & RHOADS STORE But it is not so wonderful when you think of The One Big Purpose behind the Organization, which is To Render an Efficient Service Offer Only Dependable Merchandise Maintain Right Prices Not to know MILLER & RHOADS—not to visit The Store when in Richmond is—well, the trip isn't complete. Southerners always go to Miller & Rhoads It's 'The Shopping Center' RICHMOND, VA. (View of the Store looking west at Sixth and Grace streets)"

Pepsodent advertisement. Features an illustration of a man and a woman. Text: "A Gift A 10-Day Tube of Pepsodent is sent to all who ask. See coupon." "See These Results Learn what clean teeth mean" "All statements approved by authorities" "See the results of the new way of teeth cleaning. They are quick and decisive. You will know at once that they mean a lifetime of cleaner, safer teeth. Millions of people employ it. And the glistening teeth seen everywhere show what it means. See what it means to you." "Watch the new effects The use of Pepsodent at once reveals many new effects. One ingredient is pepsin. One multiplies the starch digestant in the saliva, to digest starch deposits that cling. One multiplies the alkalinity of the saliva, to neutralize mouth acids. Two factors directly attack the film. One of them keeps the teeth so highly polished that film cannot easily cling. Pepsodent is the new-day tooth paste, complying with all modern requirements. It does what never before was done. You should learn its benefits at once. Send the coupon for a 10-Day Tube. Note how clean the teeth feel after using. Mark the absence of the viscous film. Watch the teeth whiten as the film-coat disappears. Every one in your family needs Pepsodent daily, and a week will prove this to you. Cut out the coupon now." "New methods now Dental science, after years of searching, has found new ways to fight film. All have been proved. Pepsodent PAT OFF REG. U.S. The New-Day Dentifrice A scientific film combatant combined with two other modern requisites. Now advised by leading dentists everywhere and supplied by all druggists in large tubes. Only one tube to a family."
