CLARENDON, Sept. 11.—At the land sale here last Wednesday, fifteen business lots sold for \$5,200. On account of rain the sale had to be called off before all the property was sold. The unsold lots will be sold at a date to be named later. The little town was alive with men, women and children from the surrounding country. Plans are already being laid for the erection of a large brick store building on one of the lots sold, and other large business enterprises are to be started by the largest investors following.

BIG ULCER ALL HEALED "Now I Can Walk," Says Mrs. Southcott, of Medina. "Here is another letter that makes me happy," says Peterson, of Buffalo. "One that I would rather have than a thousand dollars." "Money isn't everything in this world. There is many a big-hearted, rich man who would give all he has on earth to be able to produce a remedy with such mighty healing power as Peterson's ointment, to sell at all drug stores for 50 cents a large box. Read this letter written February 14, 1918 by Mrs. Albert Southcott, of Medina, N. Y. It seems like a miracle, but it's true, every word of it. I know it because I get similar letters almost every day from people who have used my ointment for old sores, eczema and piles. Is it any wonder I am happy? Peterson Ointment Co., Inc., Buffalo, N. Y. Dear Sirs:— I was an untold sufferer from an old chronic sore and ulcers. I had tried everything without any relief from pain. A friend told me of your wonderful ointment and the first box took away the pain that had not left me in nine years, and after using just nine dollars worth of the salve I am cured. The ulcer was nine inches by six and one-half inches, it all fell off and I can walk. Never, never will I be without Peterson's again. Your ointment if you wish. I cannot say enough to praise it. Yours truly, Albert Southcott, Medina, N. Y. Other orders filled by Peterson Ointment Co., Inc., Buffalo, N. Y. R. R. Bellamy or J. Hicks Bunting Drug Co. will supply you. (Adv.)
