EXTERNAL COLD TREATMENT THAT WILL PENETRATE

Colds, Croup and Other Inflammations of the Air Passages Quickly Respond to Gowan's, the Original Penetrating Salve.

Made With an Animal Fat Base That Goes Right in. Produces a Reubefacient Effect Without Irritation and Breaks up Congestion in the Blood Vessels.

Colds and croup originate in the bronchial tubes. You cannot reach the seat of the trouble through the stomach and external treatments for inflammation of the air passages that use a crude petrolatum, or mineral base, do not penetrate.

Gowan's through its penetrating qualities, brings quick relief in colds, spasmodic croup and other inflammations of the air passages. It gets right in, soothes and heals and opens up the air passages for free and easy breathing. Especially fine for babies and children, because it produces a reubefacient effect without irritating or blistering the tenderest skin.

Gowan's gives relief beyond belief and will not stain the clothing. It has many daily uses in the home and should be kept on hand for emergencies, such as cuts, burns, bruises, insect bites, etc. 30c, 60c and \$1.20 at your druggist and guaranteed to please or money refunded. (Adv.)
