Be Young for Your Years

You were taught at school that your body undergoes a complete change of structure every seven years.

This tearing down and building up process of body tissue continues without a moment's pause throughout life. And when a man gets into a

physical condition that the tis-

sues keep breaking down and

wasting away faster than Nature can replace them, right then he begins to grow "old". This doesn't necessarily mean, however, that he has an advanced Thousands upon thousands of people begin to break down, their vital organs giving evidence of fast approaching de-cay, long before they reach

middle age simply because

they fail to give Nature, at

the proper time, the needed help to rebuild. If you are beginning to show the slightest sign of a physical "let-down"—if you are losing your old time "pep" vim and vigor-if high tension energy and nervous strain are beginning to tell on you-it's a sure eign that you are growing "old"
—too old for your years. You've reached that stage where your vital forces need rebuilding. Don't make the serious mistake

postponing until too late the assistance

The Great General Tonic

helping Nature replace worn-out tissues, and tends to tone up the system generally by keeping the liver, kidneys and bowels clean, healthy and active. It

creates a hearty appetite, assists digestion, promotes your capacity for real living and helps to keep you young in feeling, vigor and action. If your system requires a tonic. take LYKO. It will

TONIC give you just the help you need. Get

a bottle from your LYKO is sold in original pack-druggist today.

LYKO is sold in original pack-ages only, like pictures above.
