Prominent fat that comes and stays where it is not needed is a burden; a hindrance to activity, and a curb upon pleasure. Many forms of advice to reduce weight have been advanced, such as dieting, hard work, excessive exercise, etc., all of which are either unpleasant or dangerous. The latest, more modern and pleasant way

totake off burdensome fat, is to take, after each meal and at bedtime, a Marmola Tablet. These little tablets are as effective and harmless as the famous Marmola Prescription from which they take their name. To get rid of fat at the rate of two, three or four pounds a week, simply take one of these little tablets after each meal and at bedtime until you have reduced your weight to where you want it. No wrinkles or fiabbiness will remain to show where the fat came off.

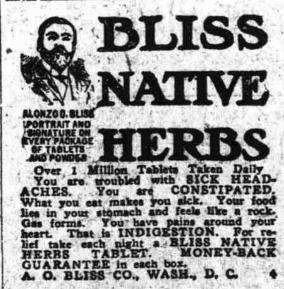

They are for sale by all druggists at \$1 for a good size box. If you prefer to have them come to you direct by mail, prepaid, in plain sealed cover, send amount to the Marmola Co., 97 Garfield Building, Detroit, Mich., and bid goodbye to dieting, exercise and fat. Be yourself, slim, trim and attractive.
