DON'T WORRY—Smile: Business is decidedly better and it is going to get better from now on, but every one has got to work, work, much harder than he has ever done for the same dollar that he has been getting. This means a producer, middleman consumer—except the office holder; he will go back to the old time fee system to get his, and if you don't watch him he will get all you never can tell. We are going to sell double the amount of goods and split our profit in half, of course it means you double the amount of work; but we have on hand the largest stock of fancy fruit and produce ever offered on this market and it has got to be moved, so if you need anything in the following list, call on us and if we are after the business and if quality and service plus small profits is what you are after, we will sell your business. A THREE DAY'S COUGH IS YOUR DANGER SIGNAL

Chronic Coughs and Persistent Colds Lead to Serious Lung Trouble. You Can Stop Them Now With Creomulsion, an Emulsified Creosote That is Pleasant to Take.

A New Medical Discovery With Twofold Action. Soothes and Heals the Inflamed Surface and Kills the Germ. Endorsed By Highest Authorities.

Money Refunded if Any Cough or Cold, No Matter of How Long Standing, is Not Relieved After Taking According to Directions.

FINE FOR BUILDING UP THE SYSTEM AFTER COLDS OR THE FLU.

Of all known drugs, Creosote is recognized by the medical fraternity as the greatest healing agency for the treatment of chronic coughs and colds and other forms of throat and lung troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the inflamed membrane and stop the irritation and inflammation while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and destroys the germs that lead to consumption.

Eruptions of the Skin Cause Torturous Itching

If you are afflicted with any form of skin disorder, you are well acquainted with the flaming, burning itching that these diseases produce. So many people continue to suffer from eczema, lichen, and other forms of skin disease because they do not seek the source of their suffering, and no disease can be successfully combated unless attacked at its source. Skin diseases are caused by an impurity or disorder in the blood, and there is no real and genuine relief within your reach until such impurities are removed. This explains why disappointment comes from the use of lotions, salves, ointments and other local remedies. S.S.S. has given great satisfaction in the treatment of these disorders because it is such a thoroughly satisfactory blood purifier. It cleanses the blood of all impurities, and thus combats the effects of the germs that attack the skin. Begin taking S.S.S. today, and if you will write a complete history of your case our medical adviser will give you expert advice without charge. Address Chief Medical Adviser, S.S.S. Laboratories, Atlanta, Ga.—Adv.

HOW DOCTORS TREAT COLDS AND THE FLU

First Step in Treatment Is a Brisk Purgative With Calomel, the Purified and Refined Calomel Tablets That Are Nauseless, Safe and Sure.

Doctors have found by experience that no medicine for colds and influenza can be depended upon for full effectiveness until the liver is made thoroughly active. That is why the first step in the treatment is the new, nausealess calomel tablet called Calotabs, which are free from the sickening and weakening effects of the old style calomel. Doctors also point out the fact that an active liver may go a long way towards preventing influenza and is one of the most important factors in enabling the patient to successfully withstand an attack and ward off pneumonia.

One Calotab on the tongue at bed time, with a swallow of water—that's all. No salts, no nausea nor the slightest interference with your eating, pleasure or work. Next morning your cold has vanished, your liver is active, your system is purified, and you are feeling fine, with a hearty appetite for breakfast. Druggists sell Calotabs only in original sealed packages, price thirty-five cents. Your money will be cheerfully refunded if you do not find them delightful. (Adv.)

Easy to Make This Pine Cough Remedy

You know that pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several peculiar elements that have a remarkable effect in soothing and healing the membranes of the throat and chest. Pine is famous for this purpose. Pine cough syrups are combination of pine and syrup. The syrup part is usually plain sugar syrup. To make the best pine cough remedy that money can buy, put 2 1/2 ounces of Pinex in a pint bottle, and fill up with home-made sugar syrup, or corn syrup, instead of sugar syrup. Either way, you make a full pint—more than you can buy ready-made for three times its cost. It is pure, good and very pleasant—children take it eagerly.

You can feel this take hold of a cough or cold in a way that means business. The cough may be dry, hoarse and tight, or may be persistently loose from the formation of phlegm. The cause is the same—inflamed membranes—and the Pinex and Syrup combination will stop it—usually in 24 hours or less. Splendid, too, for bronchial asthma, hoarseness, or any ordinary throat ailment.

Pinex is a highly concentrated compound of genuine Norway pine extract, and is famous all over for its prompt effect upon coughs. Beware of substitutes. Ask your druggist for "2 1/2 ounces of Pinex dried and mother." Guaranteed to give absolute satisfaction or money refunded. The Pinex Co., Ft. Wayne, Ind.
