Mr. Merchant:

During the next two months particularly you want to boost your sales.

You may wish to curtail expenses.

So does everyone else.

A period of depression does worry a man. But we're sure you'll agree, after due reflection, that you want to increase your revenue, and not to reduce it.

When your motor car climbs a hill, you give her a little MORE gas.

When the sweet corn and 'taters in your garden don't thrive, you give them a little MORE care—more water—MORE fertilizer.

When business decreases, economize by all means, in places which are *non-productive. At the same time, bolster-up in every possible way the department which brings in the money for you.

Advertising does not COST. If properly used, it is an investment which pays, pays, pays, good, honest dollars in dividends.

Any merchant can INCREASE his revenue by consistent advertising.

And The Star, its entire staff, and four of the best advertising services in the country, is ready to assist you.
