NO LAWLESSNESS, SAYS KU KLUX KLAN LEADER

"Imperial Wizard" Simmons Denies His Klan Is Menace to the Negroes

ATLANTA, Jan. 18.—Increased by reports of attempts to intimidate whites and negroes in several sections of the country by white persons acting as members of the Ku Klux Klan, Col. Wm. J. Simmons, of Atlanta, "Imperial Wizard" of the "Knights of the Ku Klux Klan," today offered a reward of \$100 for the arrest and conviction of any person, anywhere who uses the name "Ku Klux Klan" in an unlawful manner or in connection with any purpose, or movement not sanctioned by law.

In a statement issued Colonel Simmons referred to Gwinnett county attacks on the negroes saying that some person or persons had asked a negro of that county: "Have you anything to say against the Ku Klux Klan?"

When a negative reply was received, the questioner is said to have told the negro he might have "until Saturday morning to get out."

"The Ku Klux Klan most positively does not sanction lawlessness in any form," says Colonel Simmons, "and it is not to be used as an agency of wrong or injustice. If any member of this organization has so far forgotten his oath as to lend himself to any move that interferes with the right of any person of any race or creed to life, liberty and the pursuit of happiness, that member, if his identity becomes known, will be immediately banished from the Ku Klux Klan."

The Ku Klux Klan is a law-abiding organization and does not countenance, under any circumstances, the use of force or violence, intimidation or threats against any person, not only to obey the law themselves, but to assist officers of the law in its enforcement, whenever and wherever their services may be needed.

There were no further reports today of threats made against negroes in north Georgia counties.

ALABAMA GRAND JURY BEGINS LYNCHING CASE

Ten Members National Guard Company Being Held

JASPER, Ala., Jan. 18.—The grand jury began late this afternoon the hearing of testimony in connection with the lynching of William Baird, a miner, last Thursday.

The state, it is understood, presented before the grand jury testimony of persons living along the Montgomery highway leading to Towhee, which road the mob took after taking Baird from Walker county jail. The inquiry is being directed by Special Assistant Attorney-General Horace Wilkinson, of Birmingham, and County Solicitor J. M. Pennington.

The principal session of the grand jury will be held tomorrow. Ten members of Company M, which was stationed at Towhee, when the lynching occurred, were said to have been named as members of the mob in the reported confession of Private West, a member of the company.

BIRMINGHAM, Ala., Jan. 18.—Civil authorities have assumed full authority in the Baird lynching case, General Steiner, state troop commander, announced tonight. Ten members of Company M are held in jail, nine of them charged with implication in the lynching. The charge against the tenth man was not announced.

ALLEGED ROBBERS ARRESTED GREENVILLE, S. C., Jan. 18.—Sam J. Maynard and E. H. Moore, said to be Atlanta men, were arrested here this morning by E. C. Stigall, of the Atlanta police department, who declared the men were wanted in connection with the express and highway robberies noted during the past two years. The men were taken to Atlanta this afternoon.

Maynard, also known as Jack Rose, and Moore, also known as Jack Cohen, were called at a telegraph office this morning for a telegram. The officer said they had been trailed to Birmingham, Savannah, Augusta and other cities.

SAGE TEA DANDY TO DARKEN HAIR

Look years younger! Use the old-time Sage Tea and Sulphur and nobody will know.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Wyn's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise waiting for them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

BOUKNIGHT KILLED WOMAN AND THEN KILLS HIMSELF

COLUMBIA, S. C., Jan. 18.—A coroner's jury investigating the death here today of Mrs. Clara Anacord Graham and Kerrie U. Bouknight brought in a verdict tonight that the woman was killed by Bouknight and that he committed suicide.

Refusal of Mrs. Graham to marry Bouknight was the apparent cause of the trouble, according to witnesses at the inquest tonight. Mrs. Graham was a native of Rockwell, S. C., and the body is being held here pending advices from relatives. She formerly lived in Hendersonville, N. C. Bouknight, who worked at a local sporting goods house, was a native Columbia and will be buried here tomorrow.

V. P. I. TO ADMIT WOMEN BLACKSBURG, Va., Jan. 17.—Admission of women to all the courses of the college, beginning with the opening of the 1921 session in September, has been decided on by the board of visitors of the Virginia Polytechnic Institute. It was announced here today. The principal courses at V. P. I. are agriculture and engineering and allied subjects.

NOTHING WRONG EXCEPT "RUN DOWN"

Heart All Right—Lungs All Right But Blood Weak NO ENERGY OR ENTHUSIASM

That's When You Need Pepto-Mangan—The Red Blood Builder

When you feel weak and almost sick, see a doctor and find out what is wrong.

It may be a serious illness. But in many cases the doctor finds nothing really wrong except a general run-down condition due to the need of stronger, richer blood.

For over thirty years physicians have recommended Gude's Pepto-Mangan to restore weakened blood to its normal healthy state.

Pepto-Mangan imparts to the blood the elements it needs to build up vigorous men and women. Children whose blood is impoverished become listless and pale and fall to romp. Pepto-Mangan creates a supply of nourishing red blood that makes the cheeks glow, the eyes sparkle and brings back the energy for play or studies.

Pepto-Mangan is obtainable in liquid or tablet form, whichever proves most convenient. Both forms possess identical medicinal qualities.

There is but one genuine Pepto-Mangan and that is "Gude's." Ask your druggist for "Gude's" and look for the name "Gude's" on the package. If it is not there, it is not Pepto-Mangan.—(Adv.)
