of the state, with few exceptions, have given little thought to systematic town development," Mr. Hayes said. "Towns are allowed to grow as they will with no thought to the future." He emphasized the need of planning for the districting of towns into industrial, business, and residential sections; for the planning of parks and recreational centers; for developing municipal utilities with an eye to the future, and for the grouping of municipal buildings. Marked progress has been shown in the development of mill villages, according to the report. Pictures and blue prints were shown of many such model villages.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive

Tablets while treating patients for chronic constipation and torpid livers. Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards'

SHAKE INTO YOUR SHOES

E. Wood, Secretary.

Allen's Foot-Ease, the anticeptic powder to be shaken into the shoes and sprinkled in the footbath. The Plattsburg Camp Manual advises men in training to use Foot-Ease in their shoes each morning. It prevents blisters and sore spots and relieves painful, swollen, smarting feet and takes the sting out of corns and bunions. Always use Allen's Foot-Ease to break in new shoes.
