To Remove Dandruff and Stop Itching Scalp: An itching scalp is caused by dandruff and dandruff comes from neglect of the head, which leads to dead, brittle, falling hair. Keep your scalp properly cleansed and you will not be bothered with dandruff or itching head and falling hair.

The best way to rid your head of dandruff and itching, prevent your hair from falling out and make it retain its full beauty and splendor, is to frequently give the head a thorough cleansing and brisk rubbing with Amproco Medicated Coconut Oil Shampoo, a combination shampoo and hair tonic. Amproco thoroughly cleanses the scalp, rids it of dandruff and brings new life and lustre to your hair. Use Amproco and you won't have to use a tonic afterwards, as Amproco has all the tonic qualities found in any good hair tonic, including quinine. As there are numerous coconut oil shampoos, be sure to get the genuine medicated shampoo and tonic combined by applying "Amproco" and accept no substitute. Amproco is guaranteed. 50c at all drug stores.—(Adv.)
