Cash Check for Kiwanis, But Give "We Builders" the Short End of It

Rotary got sweet revenge through the medium of the Murchison bank yesterday when the coin handlers showed changed, the hitherto undefeated Kiwanians 9 to 4 in an errorful game at the Strange playgrounds that started at 3 o'clock and barely ended in time to permit an uninterrupted schedule in the city league.

And Elbert Myers burned 'em over. Not satisfied with his defensive work, he poled one to the ticket office in right center field for four cushions, competing the circuit without any difficulty and with lots of time to spare.

(Special to The Star.)
NEW BERN, Aug. 20.—The Bears evened the "world series" this afternoon, when Llewellyn doubled in the fourth with the bases loaded, scoring two men. New Bern added another in the eighth and snatched the game away. Greenville started with McBride in the box but Sax Barns took charge of the writing in the seventh, McBride being held. Greenville never had a real chance to score but the fielding on both sides was of the big league kind, nobody being the order.

BELLAMY PERFECTS NEW LODGE OF ODD FELLOWS

Order With 50 Members Instituted at Roseboro

Emmett H. Bellamy, district supervisor for the Independent Order of Odd Fellows for the fifth district, which comprises Pender, Bladen, Columbus, Brunswick, New Hanover, Robeson, Duplin and Sampson counties, has returned from Roseboro, Sampson county, where he instituted a lodge of Odd Fellows. This lodge starts off in fine shape and at the first meeting elected these officers: Noble grand, Dr. J. S. Brewer; vice-grand, E. C. Robinson; recording secretary, Frederick Simpson; financial secretary, T. A. Williams; treasurer, M. B. Hall. The lodge starts off with 50 members.

The degree team of Goldsboro, headed by Capt. Charles O. Baird, did the degree work and a very large delegation from Clinton lodge No. 124, was in attendance upon the institution of the new lodge. In addition to the visitors from Clinton and Goldsboro, John D. Berry, of Raleigh, grand secretary, was in attendance.

In the attendance contest this lodge was paired with the new lodge just instituted at Mount Airy. Mr. Bellamy reports that the Odd Fellows are very active, particularly so in the interest of the Odd Fellow orphanage at Goldsboro.

POLICE DEPARTMENT IS HAVING STEADY GRIND

336th Arrest for Month Made Before Midnight Saturday

August's police record will probably stand for some time to come even should the bluecoats remain idle for the remainder of the month, which is highly unlikely. A new high mark was reached last night when the 336th name was written on the blotter—that of Ellen Tate, having violated of the prohibition law. With only two-thirds of the month history and the force very active it would not be surprising if the 500 mark was reached and passed before September 1.

Activity of Chief Cashwell's men in enforcing the ordinance requiring automobile drivers to get licenses furnished the foundation on which to build and caused the list to grow rapidly. Offenses charges against the 336 individuals who have honored the record book since August first run the gamut from an ordinary drunk to prohibition violation with a goody prinking of gamblers and alleged assaults.

DODSON WARNS CALOMEL USERS

You Cannot Gripe, Sicken, or Salivate Yourself if You Take "Dodson's Liver Tone" Instead

Calomel salivates! It's mercury growing like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea. If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a bottle of Dodson's Liver Tone for a few cents, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver, and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money. If you take calomel today you'll be sick and nauseated tomorrow. Besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition, and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.
