

ONE ITEM DISPOSED OF BY SENATE AFTER EIGHT HOURS ON TARIFF BILL

COMMITTEE TAX RATE IN MUSTARD AND OTHER PLASTERS IS APPROVED

Night Session Abandoned to Permit Pages to Attend Circus Performance.

EXPERIMENT WITH DAY LIGHT SAVING IS MADE

Senator Capper Attacks American Valuation—Pat Harrison Starts Hilarity.

WASHINGTON, May 16.—The senate bill before it for eight hours, but disposed of only one item.

The senate committee on mustards and other curative plasters. The night session was abandoned so that the senate pages might attend a circus performance.

The session today began an hour earlier than usual with the expressed purpose of experimenting with a meeting which had been denominated as "the day light saving session."

The progress made, however, was unsatisfactory to those who were in favor of the bill and decision was made to resume night meetings tomorrow.

The discussion today was of a general character. It included a prepared address by Senator Capper, Republican of Kansas, head of the senate committee on American valuation.

Senator Capper attacked American valuation in an extended debate from which he was excluded by a unanimous reading of the constitution.

Senator Capper, who is in charge of the bill, said that what he had in mind was to describe as humorously the present tariff.

Senator Capper was denounced by some eastern senators because they believe that American people are entitled to the same protection as other nations.

Senator Capper urged that system of tariff making be changed so that the government would be under-valuation through the American valuation system.

Senator Capper said that he had a bill which he had introduced in the senate during consideration of it.

Senator Capper said that the people are to get under your bill, said Senator Capper, addressing the Republican side of the tariff bill.

Ship Board Threatens To Withdraw Vessels

NEW YORK, May 16.—A threat to withdraw its vessels from the Atlantic intercoastal conference, an association of ship lines operating vessels between the Atlantic and Pacific coasts, unless Tacoma, Washington, is restored as a port of call, was made today by the United States shipping board.

A meeting of the conference will be held tomorrow to consider the reply expected from the shipping board.

The shipping board has refused to restore Tacoma as a port of call, which would mean the withdrawal of vessels from the conference.

PLANS FOR CONVENTION OF BAPTISTS COMPLETE

Officers of Two Subsidiary Organizations Elected—Sessions Begin Today.

JACKSONVILLE, Fla., May 16.—(By Associated Press.)—Officers of two of the subsidiary organizations of the Southern Baptist convention were elected late today as messengers arriving from throughout the south completed final plans for the opening of the general sessions tomorrow.

The Sunday school and Baptist Young Peoples Union field workers associations chose J. B. Moseley of Shreveport, president, Fred McCaulley of Oklahoma City, vice-president, and H. L. Bates of Atlanta, secretary. Each is secretary for the association in his own state.

S. E. King, St. Louis, was elected president of the city mission societies organization and Marcus James, Norfolk, was named secretary. General officers of the convention are to be elected tomorrow morning.

More than 1,000 messengers to the convention are expected to arrive in addition to several hundred visitors and between 4,000 and 5,000 messengers are expected to be enrolled before the concluding session next Monday.

The Bethelheim stock company, connected with the convention, is expected to be organized tomorrow.

The women's missionary union, an auxiliary organization, will hold its first meetings tomorrow night.

MAJESTIC BREAKS ALL RECORDS ON HER FIRST TRIP ACROSS ATLANTIC

Skipper Did Not Push "Morvich of the Seas" During Her Maiden Voyage.

LOADED ALONG FOR TWO DAYS IN ROUGH WATERS

Speed of 26 Knots Made During Last Lap—Goes Into Slip With Veteran at Helm.

NEW YORK, May 16.—The Majestic, mammoth new Morvich of the seas, warped into her pier this afternoon after a trip from England during which she broke all existing records for two days she had "loafed" then speeding up as she ran into smoother seas she drove along at a 25.50 knot pace, hitting it up to 26 on the last leg.

Just five days and 16 hours after she left Cherbourg, the Majestic whirled past Ambrose Lightship in a cloud of spray. Then she slowed down to pick up her pilot.

A tiny tug tooted vigorously three times in welcome. The terrific boom of the Majestic's whistle answered her and other ships, waiting to welcome the new liner, took up the refrain.

Captain A. L. Peterson, veteran pilot, who always takes in the Mauretania and the Olympic, climbed aboard the Majestic just outside the lightship and brought her in. He took no chances. It was noticeable that he stuck to the very center of the winding channel until he finally slowed for the health officers' tug.

As the Majestic felt her way up the channel, the United States liner Reliance, outward bound, passed her, and a few minutes later, as the Majestic which threatens to usurp all honors for speed as well as size on the ocean, was being turned around in quarantine, the Mauretania and the Cunarder, which are her nearest rivals, sped up to sea.

The noisy in their greeting to the biggest ship afloat. The Majestic's trip was one of triumph. Her whistles were going steadily as she attempted to answer salutes from all quarters.

SIGNS OF UNPLEASANT DEVELOPMENTS APPEAR IN CHILE-PERU TALKS

Tacna Arica Conference Expected to Meet With Rough Sailing Is Forecast.

CHILEANS TO BRING UP ANCON PACT'S VALIDITY

Bolivia Comes Out With Appeal That Her Rights Be Considered in Discussions.

WASHINGTON, May 16.—(By Associated Press.)—The Chilean-Peruvian conference which began its course here yesterday amid declarations of optimism encountered signs of unpleasant sailing today soon after the two delegations came together for their first executive meeting.

Most prominent among these developments was a decision understood to have been reached by the Chileans to bring the bitterly debated question of the validity of the treaty of Ancon to a sharp issue at the very outset of the negotiations.

Another disturbing element was a reiterated plea by Bolivia that her rights and interests, as well as those of Chile and Peru, must be considered in any settlement designed to remove causes for unrest in South America.

A third much discussed feature of the situation generally interpreted in diplomatic circles as an evidence of the unusual caution with which Peru and Chile are proceeding, was an agreement between the two delegations that whenever a decision is reached on any single issue it is to be embodied immediately in a formal "protocol" duly certified and signed by both sides.

The purpose of Chile to bring at once the real issue of the conference to the surface may result, in the opinion of diplomatic observers, in determining in the very near future whether the Washington negotiations are to be a success or a failure.

Neither the Chilean nor Peruvian delegates would comment on news moved by Bolivia. It was recalled, however, that when Bolivia formally sought to participate in a proposed arbitration of the Chilean-Peruvian troubles last December she was rebuffed by the Chilean government that there were no vested Bolivian rights concerned.

Today's first executive session of the Chilean-Peruvian conference was held at half past four and ended without either side having mentioned any of the major issues before the conference.

Louisiana Sugar Cane Threatened By Flood

Levee Break Widens to 300 Feet During Day.

HAMBURG, La., May 16.—The break in the projecting levee on Bayou de Glaises, near here, which occurred early today, has widened to 300 feet and backwater from the Bayou and the Red river is threatening the most important portion of the sugar fields in the northern portion of the parish, and is pushing on toward the southern parishes.

POWERS WILL MAKE FURTHER APPEALS TO UNITED STATES TO JOIN HAGUE CONFERENCE

SOUTHERN METHODISTS ELECT FOUR OF FIVE BISHOPS AT MEETING

Five Ballots Are Taken By Churchmen in Conference at Hot Springs.

DICKEY AND BEAUCHAMP CHOSEN ON SECOND VOTE

HOT SPRINGS, Ark., May 16.—(By the Associated Press.)—After taking five ballots which resulted in the election of four of the five bishops to be named at this time, the nineteenth quadrennial conference of the Methodist Episcopal church South recessed this evening until tomorrow when the next ballot will be taken.

These men were elected bishops at today's session. Dr. Hobbs won on the fourth with 255 votes.

The first and fifth ballots were declared "no elections" as none of the candidates received the required majority of 189 votes.

The fifth ballot was not completed until this evening. Dr. H. A. Boaz, president of Southern Methodist University, Dallas, Texas, was elected with 143 votes and O. E. Goddard, of Nashville, was second with 140. Dr. Goddard is home mission secretary.

The election of Dr. Dobby was a surprise to the large number of workers who had been active in the support of others. His friends say they had made active campaign in his behalf and the bishop-elect tonight declared that his election was a surprise to him.

Dr. Dobby has been in church educational work for many years and formerly was president of the Emory University at Atlanta.

Dr. Beauchamp acted as director of the missionary conference and has long been a figure in the church. Dr. Hay also has been prominent in the work of the church many years and is pastor of the First Church of Houston.

Today's sessions were the most lengthy the conference has yet held, the body meeting both in the forenoon and the afternoon. It apparently was the desire of the body to elect all of the five bishops today if possible. The fifth ballot was taken with the understanding that the result would not be announced until tomorrow.

However, the report of the tellers and it was almost dark when the final count was announced.

The most important piece of legislation adopted today was a resolution for complete rewriting of the constitution of the board of education. The new constitution increases the number of members of the board, expands the department of ministerial supply and chain into department of life service, establishes a teacher's agency and makes other extensions in the work of the board.

The conference also adopted a new course of procedure for the trial of a bishop during the session of the general conference and changed one of the articles of faith so as to pledge Methodists of other countries to be loyal to the rulers of their country instead of to the government of the United States.

The conference adopted a report increasing the salaries of the bishop's staff from \$5,000 a year while active and from \$2,500 to \$3,000 when semi-retired. The active bishops were also allowed \$1,500 a year for retirement and clerical assistance and \$500 a year for traveling expenses. The widows of bishops were allowed \$1,200 per year for maintenance and \$500 additional for each dependent child.

A committee was appointed to revise the discipline of the church and to supervise its publication. The committee consists of Bishop Collins Denny, of Richmond, Va.; Dr. Gilbert T. Rowe, of Nashville; R. O. Randle, of Knoxville, Tenn.; and Dr. F. N. Parker, of Atlanta.

SCHOOLS GET MILLION DOLLARS FROM BOARD

New Hanover County Allotted \$40,000 for New High School Building Here.

By Brock Barkley

RALEIGH, May 16.—The state board of education today announced the loan of one million dollars to fifty counties from the five million dollar special building fund. This is the first loan following the validating by the supreme court of the bond issue, authorized by the 1921 session of the general assembly.

Today's loan goes almost exclusively for the erection of high school buildings in the rural districts. Only \$40,000 of the entire amount will be used in a city school, and this goes to New Hanover high school at Wilmington which is a high school for the entire county.

The state board recently made appropriations for the purpose of maintaining at least one standard high school for the rural districts of each county in the state and Stanley, N. C., it is now possible to supply adequate buildings. The counties and the amounts loaned today to each are given as follows:

- Allegheny, \$20,000; Anson, \$14,500; Ashe, \$2,000; Avery, \$19,000; Beaufort, \$27,500; Bertie, \$20,000; Buncombe, \$15,000; Caldwell, \$30,000; Catawba, \$15,000; Caswell, \$10,000; Catawba, \$25,000; Chatham, \$6,000; Clay, \$9,000; Cleveland, \$8,000; Craven, \$25,000; Cumberland, \$4,000; Currituck, \$15,000; Dare, \$2,000; Davidson, \$10,500; Edgecombe, \$15,000; Durham, \$20,000; Gaston, \$41,000; Granville, \$22,000; Guilford, \$50,000; Halifax, \$3,000; Harnett, \$11,000; Henderson, \$30,000; Iredell, \$45,000; Lincoln, \$37,000; Martin, \$25,000; Montgomery, \$8,000; Moore, \$9,000; New Hanover, \$40,000; Orange, \$10,000; Pamlico, \$20,000; Person, \$15,000; Pitt, \$15,000; Polk, \$20,000; Randolph, \$10,000; Richmond, \$15,000; Robeson, \$10,000; Rutherford, \$25,000; Rowan, \$10,000; Stokes, \$20,000; Union, \$8,000; Wake, \$45,000; Watauga, \$15,000; Wayne, \$45,000; Yancey, \$22,000.

Four Drown In Collapse Of Bridge Over Brazos

West Tier Crashed Under Crowd Watching Work.

MARLIN, Tex., May 16.—Four persons are known to have been drowned and 15 others are missing as a result of the collapse of the Marlin-Belton bridge over the Brazos river five miles west of here late today. The west tier of the bridge crashed while about 80 persons, including many women, were standing there watching repair work on an abutment, which had been damaged during the recent flood.

Two of the four bodies recovered have been identified as those of Mrs. Ed Moseley, of Beaumont, and Mrs. Goldberg, of Marlin.

Rescue parties, hurriedly gathered, dragged many of the struggling persons from the water before they went under. Boats and rafts, quickly thrown together, aided in the work. Several of those rescued had drifted to the falls, three miles south of the accident, before they were taken from the water.

Those rescued were all in a more or less serious condition. Mayor F. M. Stallworth, who was among those who went down, was rescued several miles down stream. A small automobile, occupied by a child, went down with the bridge. The child had not been found tonight.

INVITATION CONSIDERED AT GENOA MEETING OF FIVE POWERS TUESDAY

French Anxious to Have Closing Plenary Session of Conference On Thursday.

DECISION WOULD HURRY RUSSIANS, IS PREDICTED

Tchitcherin's Clash With Ishii at Morning Session Attracts Attention.

GENOA, May 16.—(By the Associated Press.)—Further appeals probably will be made to the United States by the allied powers in an endeavor to induce that country to take part in the meeting of the commission of experts at The Hague on June 15. The inviting powers, England, Japan, France, Italy and Belgium, held a meeting this afternoon to consider the matter further.

The French delegates are anxious to have the closing plenary session of the economic conference on Thursday, but this is considered impossible, as there is no disposition to hurry the Russians in making their final reply regarding the Hague conference, and it seems likely that the closing session will not be held before Saturday or Monday.

Tomorrow morning the Russians will reassemble with the sub-commission on political affairs to discuss plans for the Hague.

The inviting powers decided that the eastern Galician and Lithuanian boundary questions would not be considered at this time. Mr. Lloyd-George declared that these two questions were a great source of danger to Europe.

Hungary and Bulgaria were permitted to present petitions for better treatment of minorities.

The powers decided to have the conference make an urgent appeal to Europe to support the anti-epidemic campaign.

Tchitcherin's clash with Viscount Ishii at the morning session attracted much attention, and there is some speculation as to whether it will be followed by the same sub-officially reassemblies with the Russians tomorrow. Tchitcherin issued a statement setting forth his side of the controversy, which was provoked by his Japanese opponent's refusal to permit the Far Eastern republic to be converted into a Japanese colony and that Russia would protect it and all other allied republics against foreign attack.

After Viscount Ishii had declared that only states invited to Genoa could participate in the conference and that Japan was forced to keep troops in Siberia to protect herself against marauders, such as had occurred at Nikolaievsk, Tchitcherin charged that the troops at Nikolaievsk violated the armistice and provoked the clash which result in many deaths on both sides.

House Passes \$500,000 Bill Probe War Frauds

No Opposition and Little Discussion in Passage.

WASHINGTON, May 16.—The house bill providing \$500,000 additional for the department of justice for prosecution of fraudulent war contracts was passed today by the senate and now goes to President Harding for approval.

There was no opposition and little discussion of the bill which was urged by the President and Attorney General Daugherty. Upon receipt from the house the measure promptly was given unanimous approval by the senate appropriations committee and was put through the senate by unanimous consent.

Senator King, Democrat, Utah, said that the department of justice had not brought prosecutions under the anti-trust law as vigorously as he would have desired and he hoped the additional appropriations would bring commensurate results.

Reorganization of the department of justice to provide a separate bureau for prosecution of war fraud cases is under way. The bureau probably will be established outside of the department it was said in order that its work might be expedited as much as possible.

Rivers D. Johnston To Run For State Senate

(Special to the Star.)

GOLDSBORO, May 16.—Rivers D. Johnston, of Warsaw
