WARREN S. JOHNSTON, Secretary

EYES OF WHOLE NATION NOW GLUED ON THIS "MAIN STREET"

This forlorn-looking "Main Street" of Mer Rouge, hitherto unknown Louisiana country town, is the center of interest of the whole United States following a state investigation, protected by militia machine guns, which uncovered two slayings and other outrages committed in a war of masked terrorists.

IN CAMP AT MER ROUGE

Fatigue scene in a militia encampment near Mer Rouge, La., whither state troops were called following outbreaks by masked bands which resulted in the killing of two and beating and mishandling of many.

HUNTING BODIES AT MER ROUGE

Knee deep in Louisiana swamps, a searching party, guarded by near-by units of state militia, is shown here hunting bodies of victims of masked night riders near Mer Rouge, La.

SOLDIERS IN SKIRMISH LINE GUARD MER ROUGE LAKE

Louisiana militiamen, their lines drawn up in skirmish formation, stand guard on the banks of Lake La Fourche, near Mer Rouge, La., where the bodies of two supposed victims of masked terrorists were found as the result of a state investigation.

While extending to our friends the compliments of the season, we wish to thank them, one and all, for their patronage, and trust we may have the pleasure of serving them through many years to come.

MAY THE NEW YEAR FIND THEM  
HAPPY AND PROSPEROUS
