THIS IS THE WEEK of the COMMUNITY CHEST CAMPAIGN

What more appropriate thing can we do than call your attention to the 225 busy men and women who, as volunteers, are out to fill Wilmington's Community Chest?

THEY ARE DETERMINED----

THAT the deserving poor shall not feel the sting of winter's cold nor suffer the pangs of hunger.

THAT aged women—somebody's mother perhaps—may have a home where they may spend the evening of life in comfort and self-respect.

THAT moral protection shall be given to unaccompanied girls who visit our city, and needed service rendered to our aged visitors.

THAT our boys and girls, our young men and women, may continue to enjoy the privileges of character and citizenship-forming organizations of which our community is justly proud.

IN SHORT, THEY ARE DETERMINED

that those agencies in our city which, in a practical way, exemplify the love of men for men, may be adequately supported and efficiently conducted.

THAT IS THEIR PROGRAM!

☐ If you believe in a single one of the eight beneficiaries of the chest, how can you escape your obligation to carry your share of the support of that institution and still lay claim to citizenship?

WHAT IS YOURS?

☐ A worker will call on you for your gift. Why not beat him to it by calling him up and telling him to put your down for a generous amount? Such an act would greatly hearten the worker and would show your interest.

OUR GOAL—\$50,000 PLUS

The worker is doing the harder part in this campaign. In addition to his (or her) own financial subscription, he is giving the greater part of his time this week on behalf of this Community-wide Welfare Program

SIGN YOUR CARD for as generous a subscription as possible, AND CHEERFULLY, when the worker calls—SUBSCRIPTIONS MAY BE PAID QUARTERLY, COMMENCING MARCH 1
