DRINK WATER IF BACK OR KIDNEYS HURT

Begin Taking Salts If You Feel Backache or Have Bladder Weakness.

Too much rich food forms acids which excite and overwork the kidneys in their efforts to filter it from the system. Flush the kidneys occasionally to relieve them like you relieve the bowels, removing acids, waste and poisons, else you may feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, the stomach sour, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, the channels get up two or three times during the night.

To help neutralize these irritating acids and flush off the body's urinous waste, begin drinking water. Also get about four ounces of Jad Salts from any pharmacy, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then get into normal and bladder disorders disappear.

This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive and makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help prevent serious kidney and bladder disorders.

By all means, drink lots of good water every day. Have your physician examine your kidneys at least twice a year.—Adv.

RAT CAMPAIGN WILL BEGIN HERE TUESDAY

County Agent Herring Is Distributing Poison Throughout the County.

J. P. Herring, county farm agent, who, together with Miss Florence Jeffress, home demonstration agent, and officials of the board of health will put on the rat extermination campaign this week were yesterday busy distributing the barium-carbonate poison to different sections of the county so that it will be available for all persons who will endeavor to rid their premises of the rodents.

Workers of the extension service estimate there is a loss of five to ten million dollars annually from rat depredations in North Carolina. Replies to circulars sent out by E. R. Raney, of the Farm Engineering Division, show an average loss of five per cent in corn kept in storage. This represents a loss of \$3,000,000 when applied to the state's \$60,000,000 corn crop.

from the time of planting until final consumption. These pest destroy by pollution ten times as much as they eat.

"Losses in storage on the farm, in transit, in warehouses, in markets and in stores all effect the ultimate price to the consumer. Nor does the loss stop with foodstuffs; all kinds of dry goods, furniture, other house furnishings and miscellaneous merchandise constantly being destroyed by their incessant gnawing. Floods are caused by the rats gnawing lead pipes and by their burrowing in embankments; foundations of buildings are weakened by their tunneling while destructive fires often are caused by them.

"To this list of indictments, I also add the more serious one of their menace to the public health. The best means of getting rid of rats is the co-operative drive against them, followed by a general cleaning up and where possible, to guard against them in constructing new buildings and in making repairs," he said.

Rose Cafeteria Has Successful Opening

New Place On North Front Street Offers Splendid Service.

Opening yesterday of the Rose Cafeteria, 208 North Front street, W. T. Farris proprietor, proved a most successful event. During the hours that the pretty little eating place was opened for patrons it was crowded with men, women and children, who highly complimented Mr. Farris on the delicious food offered and the arrangement of the cafeteria.

To each woman or girl who visited the Rose during the afternoon was presented a beautiful flower. To those who came after 6 o'clock Mr. Farris had to offer apologies instead of a rose, because his supply of flowers gave out, he not anticipating such an enormous crowd for the opening day.

fully decorated, a color scheme of pearl and old rose being attractively carried out. The tables and self-serving counter are conveniently arranged, and the counter displayed unusual efficiency in handling the large crowd that visited the cafeteria.

The kitchen and self-serving counter equipment is of the latest type, having been purchased from a concern engaged in supplying hotels, restaurants and cafeterias with such equipment.

Mr. Farris was personally in charge of the opening, and never lost an opportunity to make his patrons feel perfectly at home. He was also assisted by Mrs. Farris, who had charge of the cashier's desk.

St. Stephens' Will Hold Men's Meeting

There will be a special meeting for men only this afternoon at 3:30 o'clock at St. Stephens' Methodist Episcopal church, colored.

Dr. E. H. McGill, of Columbia and Orangeburg, will make the address and all men of the city are cordially invited to be present.

Dispatch To Resume Publication Tuesday

A page circular issued by the Evening Dispatch yesterday announced that the paper would resume publication Tuesday afternoon with many added features.

The Dispatch was recently purchased by J. L. Horne, of Rocky Mount, and Joseph W. Little, of this city, after a suspension of publication of about a month.

The circular disclosed that J. Crunkshank, formerly general manager of the Dispatch, will be in charge of the news and editorial departments; Maj. E. W. Smith in charge of the business office; P. Skelding, of the advertising department, and Ira F. Gates, head of the sports department. The entire staff was formerly connected with the Dispatch. Miss Athalia Bunting will be in charge of the woman's department.

Passing of Uncle Joe Interests Tar Heels at Capital

(Continued from Page One) ing but little. His law practice has been boosted by the Republican administration, but he has not been a big success in landing jobs for his friends. He owes Mr. Harding but little. Therefore, when the time comes, he may fall in line with those who unhorse the man in the saddle.

With Penrose gone, Uncle Joe Cannon out of the game, and a new set of politicians at the helm, President Harding is going to have a hard time. The News, Smoots and Watsons may be all right in a way, but they are not of the type of the old fellows.

All of these weak spots in the Republican situation cheer the Democrats, and they will have a great scramble for the head of their ticket.

Mr. Goodin Better

Friends of J. H. Goodin, who has been confined to his room for the last two weeks suffering with pneumonia, will be glad to hear that he is greatly improved.

FRECKLES

March Brings Out Unsightly Spots. How to Remove Easily.

The woman with tender skin dreads March because it is likely to cover her face with ugly freckles. No matter how thick her veil, the sun and winds have a strong tendency to make her freckle.

Gerkin and Leray To Give Away Kites

Five hundred kites will be given away to the boys who call at the bicycle store of Gerkin and Leray, 215 Market street, on Thursday, according to announcement made today by F. W. (Pat) Gerkin.

Mr. Gerkin states that this is being done as one of the features of bicycle week, which will be observed here all this week, and he cordially invites the boys to come to the shop and receive a kite, free of charge.

Our ambition is to be president of the United States because his pay is not income taxable.

FORDS RUN 34 MILES ON GALLON GASOLINE

Start Easy in Coldest Weather—Other Cars Show Proportionate Saving.

A new carburetor which cuts down gasoline consumption of any motor and reduces gasoline bills from one-third to one-half is the proud achievement of the Air-Friction Carburetor Co., Dept. 2353, Dayton, Ohio. This remarkable invention not only increases the power of motors from 30 to 60 per cent, but enables every one to run slow on high gear. It also makes it easy to start a Ford or any other car in the coldest weather. You can use the very cheapest grade of gasoline or half gasoline and half kerosene and still get more power and more mileage than you now get from the highest test gasoline.

RED PEPPER FOR RHEUMATIC PAIN

Red Pepper Rub takes the "ouch" from sore, stiff, aching joints. It can not hurt you, and it certainly stops that old rheumatism torture at once.

When you are suffering so you can hardly get around, just try Red Pepper Rub and you will have the quickest relief known. Nothing has such concentrated, penetrating heat as red peppers. Just as soon as you apply Red Pepper Rub you will feel the tingling heat. In three minutes it warms the sore spot through and through. Pain and soreness are gone.

Ask any good druggist for a jar of Rowles Red Pepper Rub. Be sure to get the genuine, with the name Rowles on each package.—Adv.

TO EXPECTANT MOTHERS

A Letter from Mrs. Ward Tells How Lydia E. Pinkham's Vegetable Compound Helped Her

Springfield, Ohio.—"Lydia E. Pinkham's Vegetable Compound proved a splendid medicine for me before my fourth child was born. With the first three I had been sick and weak, and had sick headaches twice a week. I couldn't keep enough food down to do me any good, and my work was left undone many a time. My sister-in-law told me to take the Vegetable Compound when I began to have the same old outside sickness and headaches and was so worn out. Since then I have only had two headaches, had a good appetite and scarcely lost a meal. I have a fine, healthy baby girl who has never had a sick day. The nicest part is that I am healthy, too. It did me a lot of good, and if I should ever have another baby I will take your medicine at once."

Mrs. BESSIE WARD, 1027 Park Avenue, Springfield, Ohio.

Lydia E. Pinkham's Vegetable Compound is an excellent medicine for expectant mothers, and should be taken during the entire period. It has a general effect to strengthen and tone up the entire system, so that it may work in every respect effectually as nature intends.

PAIN GONE! RUB SORE, RHEUMATIC, ACHING JOINTS

Stop "dosing" rheumatism. It's pain only. St. Jacobs Oil will stop any pain, and not one rheumatism case in fifty requires internal treatment. Rub soothing, penetrating St. Jacobs Oil right on the tender spot, and by the time you say Jack Robinson—out comes the rheumatic pain and distress. St. Jacobs Oil is a harmless rheumatism liniment which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, backache and neuralgia.

Limber up! Get a small trial bottle of old-time, honest St. Jacobs Oil from any drug store, and in a moment you'll be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away.—Adv.

Peterson's Ointment Best For Eczema

First Application Stops Itching of Eczema, Salt Rheum and Piles.

Ends Chafing Distress in Five Minutes. "Live and let live is my motto," says Peterson. "Druggists all over America sell PETERSON'S OINTMENT for 35 cents a large box and I say to these druggists, if anyone buys my ointment for any of the diseases or ailments for which I recommend it and are not benefited, give them their money back."

"I've got a safe full of thankful letters testifying to the mighty healing power of Peterson's Ointment for old and running sores, eczema, salt rheum, ulcers, sore feet, broken breast, itching scalp, chafing and blind, itching and bleeding piles."

T. G. Rokestrom, of 808 Loraine St., Detroit, writes: "I suffered with piles for over 25 years—nothing did me any good. After my fourth box of Peterson's Ointment I am nearly cured. It is the greatest ointment I ever heard of."

Glad to fill mail orders on receipt of price. Try druggist first. Peterson Ointment Co., Inc., Buffalo, N. Y.—Adv.

Old and Young Have Way Now to Revive Clear, Pleasing Face

Black and White Creations Make Safe and Sure the Efforts to Correct Bad Complexions.

Whether you are old or young in years makes little difference if you really want a clear, rosy, pleasing complexion.

The only reason your face is now sallow, rough and "hard" is, you have been neglecting the care which exposed skin must have to keep it soft, clear and pleasing to look at.

The skin on your face always is exposed to many kinds of weather and abuse. That is the reason it must have attention to keep it from getting "weather worn."

Look at the skin on your body where it is protected from all outside influences. Nice and soft, clear and about the same as it was when you were young, isn't it? If your face could have been kept covered up all this time it would be just the same.

But it is possible now to revive that clear, smooth, pleasing appearance to your complexion by using the famous Black and White Cleansing Cream to take out all the dirt and grease which has been accumulating in it and making it "rusty looking." You have the manufacturer's guarantee that it must satisfy or your money will be returned to you.

No Corn Can Resist "Gets-It"

No matter how long you've had your corn, how bad they may be, whether hard or soft, or

what you have tried, believe this—"Gets-It" will end corn pains at once, and quickly you can lift the corn right off the toe or foot, with the fingers. It ends callouses, the same simple way. Millions use it. Money back guarantee. Costs but a trifle—everywhere. E. Lawrence & Co., Mr., Chicago. Sold in this city by

Brooklyn Drug Store, R. R. Bellamy, J. Hicks Bunting Drug Co., Elvington Drug Store, Ahrens Bros., Green's Drug Store, Hardin's Pharmacy and Miller's Pharmacy.

HEALING CREAM IS QUICK RELIEF FOR HEAD COLDS

Colds and catarrh yield like magic to soothing, healing antiseptic cream that penetrates through every air passage and relieves swollen, inflamed membranes of nose and throat. Your clogged nostrils open right up and you can breathe freely. Hawking and sneezing stop. Don't stay stuffed up and miserable.

Get a small bottle of Ely's Cream Balm from your druggist. Apply a little in the nostrils and get instant relief. Millions endorse this remedy known for more than fifty years.—Adv.

ITCHING ECZEMA DRIED RIGHT UP WITH SULPHUR

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho Sulphur, says a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up and leaves the skin clear and smooth.

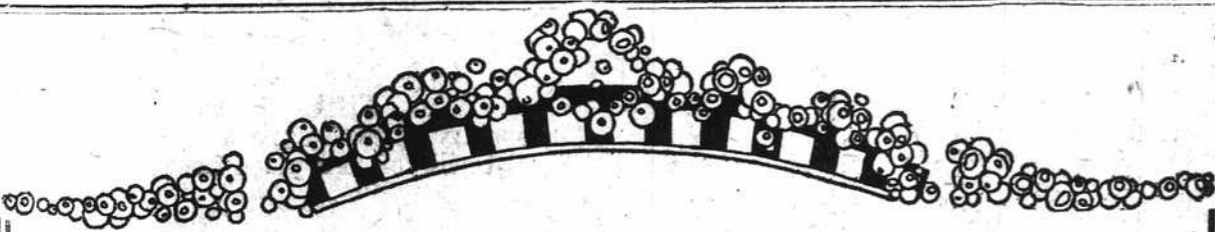

It seldom fails to relieve the torment and disfigurement. Sufferers from skin trouble should get a little jar of Rowles Mentho Sulphur from any good druggist and use it like a cold cream.—Adv.
