

THE ROAD TO SUCCESS

SUCCESS A RESULT OF ACTION

IF YOU ARE ALIVE

Awake to the opportunity now before you, willing to give some of your spare time and thought to a proposition whereby over \$14,000.00 is at stake—then you should be a candidate in this campaign—a live wire candidate. This is a campaign strictly for "live wires."

Stop and Consider

Did you ever before in a few short weeks have the opportunity to cash your spare time for \$2,685.00? Do you think you haven't a chance if you enter now? Why, you have every chance. Not one candidate has a lead that can not be overcome with a few days' work.

You Can Secure Your Choice

Of the four big powerful automobiles or hundreds of dollars in gold in a few days' work. The work is easy—requires no special talent or education to earn the biggest of the awards. Your opportunity then to win a prize that will repay many times for your efforts is here. But to get your rightful share you must get busy and take advantage of this opportunity.

JUST REMEMBER

You—who are hesitating! You—who are doubtful! You who say: "It can't be done!" Just remember this one thought—when the star and New's big distribution of four cars and cash is made—when the four cars and all the cash gifts are handed out—you are again going to realize that you have passed by one of the real opportunities of your life. 'Tis better to have tried and failed, than never to have tried at all.

YOU—YOURSELF

The only thing that will keep you from winning is you, yourself. If you enter the campaign determined to be successful, you will be. It's up to you entirely. If you want the Packard, the Hupmobile, the Nash Sedan, the Dodge Sedan or to participate in the thousands of dollars in cash to be distributed—and we think you do—get into the campaign today. Send in your nomination blank at once or call at our office, Southern Building, Second Floor.

ALL IN THE STATE OF THE MIND

If you think you are beaten, you are!
If you think you dare not, you don't!
If you would like to win, but think you can't, it's almost a cinch you won't!
If you think you'll lose, you're lost!
For out in the world you'll find success begins with a fellow's will—it's all in the state of the mind!

OPPORTUNITY

Master of human destinies am I! Fame, love, fortune on foot-steps wait. Cities and fields I walk. I penetrate farms and villages remote, and passing by cottage and office and palace—sooner or later I knock unbidden "once" at every gate! If sleeping wake—if feasting, rise before I turn away. It is the hour of fate, and they who follow me reach every state mortal can desire, and conquer every foe save death! But those who doubt and hesitate, condemned to failure, poverty and woe, seek me in vain, and uselessly implore. I answer not and return no more.

REGRETS

If you really knew you could own one of these handsome big prizes which the Star and News will award within the next few weeks, you would pull off your coat, roll up your sleeves and hustle day and night, wouldn't you? But when you have an equal chance with others to own one of them, you hesitate to get busy. Why is it? "Self-reliance" is all you need. It is what is keeping you from being a motor car owner right this minute. If you had just an ounce of it, some terrible misfortune only could keep you out of the race. Do you want a motor car? Then enter. A little work now will count far more than all the regrets in the world after the race is over. So let's get busy!
