The sleep producing blow was a clean punch to the chin.

Three preliminaries were staged by the Victoria management. The first of these between Slim Mintz and Sinbad the Sailor, went to the slim boy by long ways, as the only thing that Sinbad had was good intentions and the ability to take hard ones.

second preliminary between The Young Fales, brother of Harry, and Young Hall was one of the fastest of the evening. Both boys were willing to swap punches at all times and did so, much to the enjoyment of the crowd The third preliminary between blacks was a laugh-maker simply, and as a burlesque of a prize fight was "all there." The fans enjoyed the four-

Above-Board Circulation

Progressive publications belonging to the Audit Bureau of Circulations have adopted an open and "Above Board" circulation policy. They lay before advertisers circulation facts that have been verified by experienced auditors.

Advertisers, before the advent of the A. B. C., were forced to depend upon hearsay circulation information and unverified "sworn statements" of circulation. No detailed figures were available and no verification was possible except at great expense to the

Nowadays advertisers look to the A. B. C. for dependable, unbiased circulation information and select their advertising mediums accordingly.

> Today 91 per cent of the circulation of papers having over 5,000 circulation is audited by the A. B. C. It should not be long before every newspaper goes on record with A. B. C. membership.

This will make it possible for every advertiser to use detailed circulation facts covering the entire newspaper field. This will permit a fair comparison and eliminate guesswork from the purchase

> The Wilmington Morning Star is a member of the A. B. C. and would be pleased to submit the latest circulation report,

The Wilmington News has applied for membership and will have an audit of its circulation at the end of the first six months of publication.
