AREARIN

THE OLD HOME TOWN

LAKE CITY, Fla., July 4.—Although a legal holiday, activities were not degrees. The temperature varied from 93 on the 28th to 61 on the 15th. Wilof North Dakota.

The defense was to produce further character witnesses, and indications today were that the defense might be able to close on Thursday night. The character witnesses were expected to take up most of the trial today and this notice will be pleaded in bar of tomorrow. Fifty, or more, remain to be heard.

ings yesterday when counsel for state and defense mixed personalities over a matter of law. James R. Kelley, state's attorney, incensed over a re-mark by Leonidas Wade, of counsel for defense, made a dash at the latter, but was twice prevented from striking blows by other attorneys and court attaches. The defense began its presentation of character witnesses yes-

Exceptionally Dry

Records of Weather Bureau Give Interesting Figures Relative to Conditions.

The month of June was dry, meteor ologically speaking. The local weather bureau issued a report yesterday showing that, with two exceptions, the last month was the dryest June since the establishment of the local station in

WHAT? TEN

DOLLARS! I

WONT PAY IT!

1871. The precipitation was 1.8 inches. The dryest June on record was in 1914, when the precipitation was but 1.18 inches. The wettest June, that of 1876, boasted a rainfall of 12.44 inches.
The mean temperature for last month
