at the plate trying to score his one
hundredth run of the season on Pipp's
single. It was the fourth time New

STANDS BETWEEN BURRIS AND A STAINLESS RECORD TONIGHT

Bobby Wood of Raleigh, who meets Kenneth Burris at the Academy of Music tonight in an eight-round bout.

Burris and Wood Are Awaiting the Gong for Sweet Revenge

Kenneth Burris and Bobby Wood are
awaiting the sound of the gong.
They meet tonight at the Academy
of Music in an eight-round bout for
the second time of their lives.

Both men are confident of a win;
both declare they will give their all
in an effort to clinch the victory, as-
suring the crowd one of the best bouts
of the season.

If Burris has an advantage in eight
that is offset by the edge that is
Wood's through virtue of his win over
the local boy in Charlotte last season.
The bout promises to be replete with
action for Wood is admittedly one of
the best little men in the state. The
crowd knows Burris' ability.

Wood, who arrived yesterday after-
noon and who is in perfect condition,
said that he would finish Burris ton-
night for all times to come.

Burris, on the eve of the battle said:
"Wood is tough; no one knows that bet-
ter than I, but I am going to win. I
will take no man's instructions tonight
but will fight my own style. Unless I
win I will never fight again."

The semi-finals, an eight round bout,
will be between Tommy Williams, the
Black Flash, and Young Sibby, a black
fighter produced and trained by For-
ster Davis. There will be a six-round
preliminary completing the bill.

Ringside tickets can be had at Star-
key and Kerr's and Shepard Brothers'
Billiard parlors as late as 7 o'clock to-
night provided there are any left. Gen-
eral admission tickets will be on sale
at the door.

HENRY SULLIVAN, OF LOWELL, MASS., SWIMS THE ENGLISH CHANNEL

LONDON, Aug. 6.—Henry Sullivan,
of Lowell, Mass., has succeeded in swim-
ming the English channel, according to
a Paris dispatch to the Exchange
Telegraph company. He reached Calais
at 8:05 tonight after swimming a
distance of 90 kilometers, or nearly
60 miles.

DOVER, Aug. 6.—Henry Sullivan,
of Lowell, Mass., who finished his swim
across the English channel, landed in
front of the Calais casino. His time
was 26 hours, 50 minutes.

Henry Sullivan is the third man to
accomplish the hazardous feat of swim-
ming the English channel. The first to
make the passage across the narrow,
but always extremely choppy course,
with its rushing tides and swirling
eddies, was Capt. Matthew Webb, and
the second T. W. Burgess. Both were
Englishmen.

Webb made the swim on August 2-25,
1851, covering the 22 1/2 miles, between
Dover and Calais, in 21 hours, 45 min-
utes. Webb was drowned July 24, 1883,
while attempting to swim the rapids
at Niagara Falls.

T. W. Burgess accomplished the feat
September 6, 1911, swimming from
South Foreland, England, to Lechateau,
France. His time was 22 hours, 35
minutes.

The present was Sullivan's seventh
attempt to make the swim. In all his
efforts he had made notable marks in
1921, getting within five miles of the
French shore after having been in the
water 19 hours and five minutes.
When Sullivan took the water off Dover
on Sunday, he got away in fine style
under what were declared to be favor-
able conditions. The sea was calm
and the temperature of the water was
62 degrees Fahrenheit. When Burgess
made the swim he also had a smooth
sea, but the temperature of the wa-
ter was 2 degrees higher.

THIS LITTLE WORLD!
Now the Pacific ocean has been
spanned by radio. An Australian sta-
tion recently reported having heard
California transmitting stations. Ship
operators off the China and Australia
coasts have been hearing signals from
America for some time, they report.

AND MORE COMING
More than 250 radio fans are getting
licenses as amateurs monthly, accord-
ing to a recent report of the depart-
ment of commerce. The greatest num-
ber is in the ninth district, of which
Chicago is headquarters.
