

FAIR ASSOCIATION THANKS MERCHANTS FOR GENEROUS AID

Many of Them Donated Valuable Articles Given as Premiums to Exhibitors

The entire membership of the South-eastern Fair Association desires that its sincere thanks be publicly extended to the merchants of Wilmington who so kindly assisted towards the success of the recent fair by their action in donating articles of merchandise which were given as premiums to the many prize-winners in the various departments of exhibits which included field and garden crops, live stock, poultry, economics, arts, crafts and home-work, flowers and shrubbery and dogs and pet animals.

Mrs. Jas. E. L. Wade, who personally called upon the merchants in connection with these premiums wishes to extend her individual thanks for the cooperation extended to him. Warsaw

One of the prettiest card parties of the season was the one given by Mrs. D. F. Farris and Miss Sallie Hussey at the home of Mrs. Farris last Friday afternoon, from 3:30 until 5 o'clock. The lovely home was made more attractive throughout the lower floor with its decorations of chrysanthemums, which were used profusely in all the reception rooms.

After a number of rounds of bridge, for which there were seven tables, it was found that the top score prize, a cut-glass candlestick, was won by Mrs. J. C. Robinson, who presented it to Mrs. Quince P. Farris. The guest prize, a jade dinner, went to Mrs. Erie Wall. The low score prize, a candy box in the form of a turkey, was given to Mrs. F. L. Faison. The Thanksgiv-ing motif was emphasized in the re-ception, which consisted of a deli-cious turkey dinner, chicken salad with "turkey stickers," sandwiches, miniature turkey candy boxes, hot coffee with whipped cream, while small baskets of Thanksgiving candy were given as favors. The hostesses were assisted in entertaining by Mesdames Nick Hussey, Will Hine, J. W. Farris and James Middleton.

The carnival dance given here on Monday evening was an enjoyable affair. The fancy dances gotten up under the direction of Mrs. H. L. Ste-vens, Jr., were special features. Misses Evelyn Holland, Caroline Newbury, Mattie Wallace, Wilhelma Holland and Blanche Rogers and Mary Grey Quinn, gave a costume dance, and Misses Au-drey Koonce and Mattie Wallace gave attractive solo dances, as did little Miss Charlotte Williams, of Paison.

Mesdames D. E. Best and Edward Gibson returned last week from a stay of several weeks in Washington, D. C. Mrs. H. F. Peirce returned Tuesday from Wilson, where she visited Mr. Peirce, who is receiving hospital treat-ment there.

Mesdames J. W. Farris, W. O. Sin-gletary, W. M. Williams, E. C. Shef-field, P. I. Barlow and Faison Peirce and Miss Julia Ricks attended the Ninth District club meeting at Calypso Wednesday.

Mrs. J. H. Newbury returned the past week from Baltimore, where she had been receiving hospital treatment for a number of weeks.

With only a few weeks of 1923 to play, the score shows the coal dealers have won.

82 Years Old and As Good as a Youngster

87 or 88 years ago I was a very sick man. Doctors said catarrh trouble or stomach and bowels, affecting the liver and heart. For more than a year I wanted to die, but I tried not. Upon the advice of a friend I tried Mayr's Wonderful Remedy, and although 82 years old I now feel as good as a youngster. It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At all druggists.

Mighty Healing Power Of Peterson's Ointment

"I wish I could publish all the grate-ful letters I get every week," says Peterson. "I don't believe anyone on this earth has such a happy time at work as I have. All I do is make Peter-son's Ointment and read letters like these that come right from the heart. I had an ulcer on my ankle—had it 20 years and could not get it healed. For the last six years I had several doctors. I got one box of your oint-ment and it almost healed it and it was entirely healed before I had used the second one. I don't think there is a better remedy on earth. Mrs. J. C. Henderson, 520 Sprague Street, Winston-Salem, N. C. Peterson's Ointment is just as good for piles as it is for old sores. It stops itching of sores almost in-stantly. There isn't anything in the way of pimples or face blemishes that it won't chase away, and for sore feet, chafing, sunburn, scalds, cuts and bruises there is nothing so sure or speedy. 35 cents, 50c, \$1.00, \$2.50, \$5.00—adv.

CLEAN KIDNEYS BY DRINKING LOTS OF WATER

Eating too much rich food may pro-duce kidney trouble in some form, says a well-known authority, because the acids created excite the kidneys. Then they become overworked, get sluggish, slow up and cause all sorts of distress, particularly backache and misery in the kidney region, rheumatic twinges, severe headaches, acid stomach, consti-pation, torpid liver, sleeplessness, blad-der and urinary irritation. The moment your back hurts or kid-neys aren't acting right, or if bladder bothers you, begin drinking lots of food water and also get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then get fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to flush clogged kidneys and stimulate them to activi-ty; also to neutralize the acids in the system so that they no longer irritate, thus often relieving bladder disorders. Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to help keep the kidneys and urinary organs clean. By often avoiding serious kidney dis-orders. By all means have your physi-cian examine your kidneys at least twice a year.—adv.
