### PROSPERITY ABROAD IN HARNETT CAPITAL

(Special to The Star)
DUNN, Nov. 17.—That prosperity is abroad in the Dunn district is evidenced by the high prices for which farm lands are selling. One farm near Dunn changed hands recently, the purchase price being \$500 the acre. Most of the real estate sales are being made through the auction system and the lands sold are bringing fabulous price generally. Quite a bit of town property in Dunn has recently been sold at auction and the price of this is in keeping with that of farm lands.

A whirlwind canvass for Red Cross members will be made in Dunn Monday and Tuesday, November 19 and 20.
