MAKING TNT AT DUKE—P. P. Phillips, Jr., of Durham, one of the two score young scientists completing the first national defense course in the chemistry of explosives conducted at Duke university during recent weeks, is shown here engaged in one step in the preparation of TNT. He wears heavy goggles with shatter-proof glass for protection. Dr. Marcus Hobbs of the Duke chemistry faculty is in charge. The course is conducted in cooperation with the U. S. commissioner of education to provide training for persons planning to work as inspectors for the U. S. Ordnance department, operators and inspectors for manufacturers having contracts for explosives, and others employed in the field in which such technical training is required.

Mis-Treatment of Envoys Laid to Soviet Officials

HELSINKI, Finland, July 31.—(AP)—The Finnish press charged tonight that members of Finland's Moscow delegation and their families have been held more than three weeks in railroad cars at Leningrad, near the Turkish border, under "inhuman conditions." They said that charge d'affaires Paaav Hynnynen telegraphed the Helsinki foreign office 10 days ago that "the health situation is beginning to be unbearable." "The Soviet action is not only a gross violation of international rules, but is incompatible with the most elementary moral principles," said the paper Ilta Sanomat.

SCHOOL UNDERWAY
DURHAM, July 31.—(AP)—The fifth annual school for workers in children's homes and orphanages is underway at Duke university. It will close August 16.

BASQUE SUCCESS

Start your "back-to-college" sewing with this popular basque frock. It has that snug low-waistline bodice and full gathered skirt which modern junior girls consider tops for dress styling. They think highly of a prettily shaped neckline, too. Gives them a chance to wear a pair of clips (one at each side) or a colorful bulky choker necklace. Pattern No. 1897 is in sizes 11 to 19. Size 13 takes 3 5/8 yards 39-inch material without nap. A detailed sew chart which comes with the pattern gives full directions for cutting and completing frock. For this attractive pattern, send 15 cents in coin, your name, address, pattern number and size to Wilmington Morning Star, Today's Pattern Service 106 7th Avenue, New York, N. Y.

QUICK FROZEN MEATS SIMPLIFY PREPARATIONS FOR SUNDAY DINNERS

By MRS. GAYNOR MADDOX
NEA Service Staff Writer

Sunday dinner during summer can be simplified with the help of modern science. Quick frozen meats and fowl, ready to cook without any cleaning or singeing or other preliminary work, cut down kitchen time. If these special foods fit comfortably into the family budget, they can be used on Sundays to give the housewife more time outdoors with the other members of the family.

The following receipts are for quick frozen meats and fowl, and have been tested in the laboratories of one of the leading processors.

SPANISH FRICASSEE OF CHICKEN (Serves 4 to 6)

One quick frozen fowl for fricassee, partially thawed, 12 cup butter or other fat, salt and pepper, 12 cup sliced onions, 14 cup diced celery, 12 cup sliced mushrooms, 4 cups canned or fresh stewed tomatoes, 2 tablespoons chopped parsley, 12 teaspoon sugar.

Separate fowl into pieces for serving; saute in butter season with salt and pepper, and place in large kettle. Saute onions, celery and mushrooms in drippings in pan. Add tomatoes and bring to a boil, stirring constantly. Add parsley and sugar and pour over chicken. Cook slowly, partially covered, 2 1/2 hours, stirring occasionally.

MIED GRILL (Serves 4)

Caps from 12-pound mushrooms or small rounds of eggplant, 4 quick frozen lamb chops, 1 box (8 ounces) quick frozen calves liver, thawed, 4 medium tomatoes

halved, melted butter, salt, pepper, 8 slices bacon.
Press rounds of eggplant or if mushrooms are used, peel the caps. Brush lamb chops, liver, or rounds of eggplant with butter and sprinkle with salt and pepper. Place on wellheated broiler and broil at high heat. Broiling times: lamb chops, 10 minutes on each side; mushrooms, 5 minutes on each side; eggplant rounds, 6 minutes on each side; liver and bacon, 2 minutes on each side. Baste with melted butter during broiling. To serve, arrange lamb chop, portion of liver, 2 slices of bacon, 2 mushrooms, and portion of mushrooms r eggplant on plate. Garnish with parsley or watercress.

SUNDAY'S MENU
BREAKFAST: Orange and fresh lime juice, scrambled eggs, brown rie muffins, jelly, coffee, milk.
DINNER: Spanish fricassee of chicken, mashed potatoes, buttered peas with fresh chipped mint, watercress salad, green apple pie with cheese, coffee, milk.
SUPPER: Chicken tomato bouillon in cups, cold corn, whole wheat toast, relishes, celery, radishes and olives, coconut layer cake, fruit bowl, tea, or milk.

...AND SUPER SUDS DOES DAINTY RAYONS BRIGHT AND PRETTY, TOO... WITH SAFETY!

HERE'S HOW RAYON EXPERTS SAY TO WASH RAYONS!

1. Test a small patch in plain water. If color runs, it's not washable.
2. Wash rayons separately by hand in lukewarm Super Suds. Dissolve Super Suds in hot water. Add cold water to get lukewarm suds.
3. Do not soak rayons. Wash quickly and gently. Do not rub, wring or twist.
4. Rinse thoroughly, gently, in clean lukewarm water. Roll in towel, but don't leave there.
5. Use a moderate iron.
