

# CAROLINA DEFEATS WAKE FOREST, 6 TO 5

## Sports Hodge-Podge BY CARLE HODGE

Wilmington's first look at a negro baseball game in some time will be tonight's exhibition between the Newark Eagles and the Cuban Stars of New York.

Both clubs are in the National Negro league and have a good record in the colored circuit. One thing you'll see in any negro sports competition is action and spirit.

So tonight's game is due to draw a large crowd in both the white and negro seating sections.

The Durham High Bulldogs naturally hope that they will beat Wilson Friday. But they are not wishing a darn bit more than Wilmington Coach Rupert Bryan.

Bryan is serving his debut season as the Cat baseball tutor, so it would be quite a feather for his hat if his boys cop the conference bunting. And if Wilson loses, that would be within the realm of easy possibility.

Mayor R. C. Fergus of Carolina Beach, one of the section's top authorities on fishing, says that shad catches in this area in the season which closed April 15 were under those of the past several years. He estimates the 1942 total as about 85 per cent of last season's top amount.

As for sports fishing at the beach this summer, the mayor ventures that fishermen won't be bothered much by the ban on pier lighting, going on with their casting in the dark and taking advantage of moonlit nights.

Sports Carbon: "Man may lose his temper, his shirt and his dignity on a race like the Kentucky Derby," says Romney Wheeler of the AP. "But confidentially did you ever see a horse lose even a bucket of oats on the outcome?"

The Wilmington Scene: There's talk of another baseball league here, probably to be comprised of teams of younger fellows and playing on Sunday afternoon. . . . The New Hanover Fishing club's '42 annual has been held up by bottlenecks of a war-busy town. Now it's due off the press early in May. . . . Although personnel at every army station is changing rapidly, the Airbase Reds and Blues have assured Softball Commissioner Bert Moore that every time one of their players is transferred another will be ready to take his place. . . . Moore, by the way, is looking for an experienced scorekeeper.

## Raleigh Caps Forfeit Game To Wildcats

Capitals Unable To Make Trip Here; Rocky Mount Defeats Durham, 7-2

Rupert Bryan's Wilmington Wildcats were a step nearer a tie for the conference championship Tuesday night after the Raleigh Caps, slated to play here yesterday afternoon, forfeited to the locals for lack of transportation.

Although the Caps received an automatic win because of the Capitals' failure to appear, the game was to have marked the final scheduled home appearance of the nine.

Yesterday's tilt was forfeited through a long distance telephone call from Raleigh to Coach Bryan.

Only a double-header, for which a date has not been set, with the Rocky Mount Blackbirds and a win by Durham High over Wilson Friday stand in the way of a Wilson-Wilmington tie for the crown. The twin bill is to be played at Rocky Mount.

The league-trailing Blackbirds defeated Durham 7 to 2 Tuesday, ending Bulldog hopes for a three-way tie.

Conference standings:  
Team Won Lost Pct.  
Wilson ..... 5 2 .714  
WILMINGTON ..... 3 3 .500  
Raleigh ..... 4 4 .500  
Durham ..... 3 4 .428  
Rocky Mount ..... 2 4 .333

## AL SMITH, FERREE ENTER PGA MEET

Newcomers Quality At Hope Valley For National Pro Golf Tourney

DURHAM, May 5.—(AP)—Two golfers new to national tournament play will represent the Carolinas P. G. A. in the National tournament to be played over the Sea View Country club, Atlantic City, N. J., May 25 to 31, as the result of the sectional qualifying round played here today over the Hope Valley Country club course.

Setting the pace for the 12 competitors where Al Smith, of Martinsville, Va., who had 144 and Purvis Ferree, of Pinehurst, who defeated Arthur Ham, of Myrtle Beach, in a playoff for the other berth allotted this section. Ferree and Ham finished the regulation 35 holes with 146, but Ferree had four on the extra hole to tie the five taken by Ham.

The field was reduced to 12 today when three, Marshall Crichton, of Hope Valley; Billy Crichton, of Wilmington; and Clayton Heafner, of Durham, failed to tee off. The two Crichtons were out because of injuries. Marshall with a sore hand and Billy with a sprained ankle. Heafner was notified by the National P. G. A. executive committee this morning that he had been ruled ineligible for competition in the event because of "unethical conduct."

For a time it seemed that the district would return one of last year's competitors to the National event. Thurman Edwards, of Winston-Salem, had a fine 69, one under par on the morning round, but blew up in the afternoon and took a 79 to eliminate himself from the competition. Walter Reynolds, of Rock Hill, S. C., was last year's running mate with Edwards.

## TURF'S BIG TRIO WILL RACE TODAY IN DIXIE EVENT

Whirlaway, Challedon And Mioland Entered For \$20,000 Added Handicap

BY MASON BRUNSON  
BALTIMORE, May 5.—(AP)—Whirlaway, Challedon and Mioland—three of turfdom's great campaigners—were named today to meet for the first time in the same race in old Pimlico's \$20,000-added Dixie handicap tomorrow.

This meeting of the handicap division's kingpins in the 5 1/2 mile renewal of Pimlico's richest fixture for older horses, adds lustre to the Dixie and temporarily takes the play away from the candidates for Saturday's \$50,000-added Preakness stakes.

Eight others were named to contest the mile and three-sixteenths issue with the "big three" whose combined earnings total \$921,211. All told, the Dixie's field of 11 has earned well over a million dollars.

Whirlaway to date has picked up \$352,536 for Owner Warren Wright and is third on the list of all-time money-winners. Challedon has won \$332,870 for W. L. Bryann and is fifth on the list, while Mioland has collected \$235,815 for C. S. Howard.

Others entered overnight were John L. Sullivan's Air Master, E. G. Hackney's Sir Alfred, H. C. Hatch's Filisteo, Col. E. R. Bradley's Best Seller, Brann's Pictor, Greentree stable's Century Note, Mrs. Parker Corning's Attention, and Alfred G. Vanderbilt's Impound.

Although there is plenty of class scattered throughout this field, interest will center on the clash of Whirlaway, Challedon and Mioland.

All three have never met in the same race, but Whirlaway beat Mioland at Belmont Park last year, and Mioland and Challedon have defeated each other. Whirlway won his last outing in the Clark handicap at Churchill Downs, while Challedon nosed out Mioland in the Philadelphia handicap at Havre de Grace.

## 12,063 RATION BOOKS ISSUED

Sugar Registration Will Continue Today And Tomorrow In Schools

A total of 12,063 war ration books No. 1 were issued to sugar registrants who flocked to the schools in an endless chain yesterday afternoon and night to qualify. It was announced by O. H. Shoemaker, chairman of the ration board.

Reports, Mr. Shoemaker said, were not received from nine schools in the county, indicating the total for the day will be swelled considerably when they are filed.

A total of 11,717 books were issued Monday, bringing the grand total for the two days to 23,780. The registration will continue this and tomorrow afternoons, the time for qualifying being 1:30 p. m. to 10 p. m.

H. M. Roland, superintendent of schools, said that the registration was slower than anticipated, and that an effort should be made to get the registration over as soon as possible.

At the rate it is now going, Mr. Roland said, the registration will not include more than half the county.

He stressed the importance of registration, pointing out that the books may be necessary for the purchase of other commodities in the future.

## TAYLOR IS READY FOR FIGHT HERE

Boxer Confident He Will Stop Chief Beaver In Bout Friday Night

Tiny Taylor who is training for his scheduled ten-round bout here Friday night at Thalian Hall against Chief Little Beaver, Cherokee Indian wrestler, said he will keep his eye on the grappler every minute he is in the ring.

In his last boxing match here, Beaver won on a knockout over Abe Younist, wrestler, after spouting water in his face, but Taylor said nothing like that will happen to him when he meets Beaver.

"I'll be on the lookout for just such dirty tricks," the boxer said. Although Taylor, former Golden Gloves heavyweight boxer, has had only four professional fights, he said he has an excellent trainer who is rapidly whipping him into top form as a boxer.

## DURHAM GOLFER IS RULED OUT BY TOURNAMENT

Action By National Group Against Carolina Pro Over shadows Preliminaries

DURHAM, May 5.—(AP)—Suspension of Clayton Heafner, Durham golfer, by the Professional Golfers association today overshadowed the sectional qualifying round for the Carolinas district battle for the two places in the national event to be held at Atlantic City, N. J., the latter part of this month.

Heafner was just about to step upon the tee at Hope Valley this morning when he was informed by President George Slingerland, of Greensboro, who heads this P. G. A. district, that the national body had ruled him out of the Atlantic City event, even if he qualified here.

Slingerland informed Heafner the action of the P. G. A. was based upon Heafner's allegedly "unethical" conduct in the Asheville open golf tournament. Heafner asserted he thought the action was based on the fact he withdrew from the Asheville event after playing eight holes.

He further stated the decision might have been reached because of a personal argument he had with another pro at Asheville.

Although his suspension notice was handed him early this morning, Heafner remained at Hope Valley and watched the other golfers compete for the two berths in the national event. Heafner said he had sent his check to the P. G. A. about three weeks ago and had received his membership card last week.

President Slingerland was baffled over the action of the P. G. A. He asserted the first news he had about the affair came yesterday morning from Guy Paulson, district secretary, in a telephone message from Winston-Salem. Paulson was here Monday for the pro-amateur event, but returned to Winston-Salem Monday night.

"I don't know what it's all about," Slingerland said, "I may have a letter awaiting me in Greensboro, explaining the entire thing. Until then there is nothing I can say."

Slingerland indicated that the professional golfers in the Carolina district intended to stick by Heafner and get all the facts in the case. "This thing is a direct slap in the face at our organization. It does our district no good," he said, "to have such an incident as this occur. But, what can we do about it? You can be sure we intend to find out all the facts in the case and do all we can to protect Heafner and the rights of our district. Until I receive additional information on the subject I don't want to commit myself," he finished.

## Bill Lohrman Bought By Giants From Cards

# French Leads Dodgers To Win Over St. Louis

Brooklyn Beats Cards 3-1; Boston Braves And Cincinnati Are Winners

(Condensed From AP Reports)  
Lefty French, the 33-year-old veteran whom the Brooklyn Dodgers almost cut adrift during their Florida training, pitched and battled the National league champions to a 3 to 1 eleven inning triumph over the Cardinals in St. Louis Monday.

Working against the newest south-paw sensation of the senior circuit, 21-year-old Howard Pollet, the crafty French kept the Cardinals to four scattered hits and would have had a shutout except for an error by Billy Herman in the eighth.

French himself drove in the first run of the game with a single in the seventh and when the bitter duel ran into overtime, French again came through with a single to drive in the run that broke the tie in the eleventh.

The Dodgers went into the contest with a four-game losing streak, including a double setback by St. Louis Sunday, and were only half a game ahead of the second place Pittsburgh Pirates. To meet this predicament French was called upon for his first starting assignment, of the year and the result was spectacular.

Timmy Wallace, a tiny, apple-checked boy with a winning smile and a pretzel curve, made his bow as a big league hurler for the Boston Braves in Pittsburgh—and did a man-sized chore of throttling the Pirates, 7-1, on six widely scattered hits.

The 20-year-old Braves' southpaw freshman who prepped throughout in his home town of Bridgeport, Conn., is the smallest member of the Boston mound staff. But he was a "little giant" as he unfurled pitching which, coupled with effective Boston hitting, gave the Braves a 2-2 break in a series ending today.

The Braves lambasted three Pirate hurlers for 16 hits in an assault which settled the game as early as the second inning with a two-run outburst. One more run came across in the third and a three-run ninth put the clincher on things.

Walters Wins  
In Cincinnati, Bucky Walters broke into the victory column for the first time as the Reds nosed out the New York Giants 2 to 1 in the tenth inning to end a stirring pitching struggle between Walters and Hal Schumacher.

Each hurler allowed only five hits, but three of the Reds' came in succession in the tenth and it was Bucky who set off the winning rally.

Phil's Whip Cubs  
Johnny Podgajny, always a Chicago Cub nemesis, whipped the Bruins again in the windy city, 4 to 2. The triumph gave the Philadelphia Phillies the series, two games to one.

Podgajny yielded 10 hits, one more than Claude Passeau allowed, but kept the Cub blows well scattered. Meantime, the Phillies took advantage of five bases on balls, five errors and five stolen bases in their run making.

Joe DiMaggio boosted the Yankees into second place in the American league today with two home runs and a triple that brought a 3 to 4 ten-inning triumph over the Chicago White Sox in New York.

DiMaggio was ably supported by young Hank Borowy, who gave a glittering relief performance in holding the Sox to one hit and fanning seven in 7 1/3 innings.

Rookie John Lindell made his first start on the mound for the Yankees and yielded four runs to the Sox in three innings, two of them through Yankee errors in the first inning and another on a homer by Wally Moses in the second.

Christopher Hurls  
Rookie Russ Christopher, drafted from a Yankee farm, pitched a three-hitter in his first major league start to give the Philadelphia Athletics a 2-1 victory over the Detroit Tigers.

The defeat allowed Christopher's former employers to move into second place in the American league, replacing Detroit.

Dizzy Trout, on the mound for the Tigers, was nicked for seven hits, three of which came in the eighth inning when the A's scored the winning runs. A single by Mike Krewee, Bob Johnson's double and a single by Dick Siebert accounted for the A's runs.

Senators Win  
Bob Harris limited Washington to five hits today but his fellow Browns supported him feebly and the Senators captured a 5-3 decision over St. Louis as Early Wynn checked the visitors with eight hits.

Harris was staked to a 2-0 lead in the fourth on Walter Judnick's single and doubles by Chet Laabs and Bob Sutt, but the Browns, who made four errors, yielded Washington three runs in the second half of the inning.

## TIMELY SINGLE BY PINCH HITTER GETS UNC VICTORY

Tar Heels Grab Conference Tie By Taking Crucial Tilt In Ninth Frame

CHAPEL HILL, May 5.—Sophomore Leon McCaskill delivered the pinch hit that enabled North Carolina's varsity baseball team to win the crucial third game of an exciting series with Wake Forest here today. The final score was 6 to 5.

Three successive hits in the ninth produced the winning run. With one away "Dub" Johnson, sophomore first baseman from Concord, singled sharply between second and short. Johnson moved all the way to third when Lew Hayward, High Point boy, doubled to left. It was this stage that McCaskill made his timely hit by singling past Second Baseman Billy Primm to score Johnson with the winning run.

The victory enabled Carolina to move into a tie with Duke in the Big Five standings and enhanced their chances in the Southern conference race in which Duke is still leading.

Both the Tar Heels and Deacons hit hard this afternoon with the result that the two starting pitchers—Red Benton of Carolina and Charley (Lefty) Ripple of Wake Forest—were driven out comparatively early in the game.

Ripple retired after the third. During this three-inning turn he gave up four hits and four runs. Benton was yanked with one out in the sixth after he had been tagged for five runs and eight hits, two of which were home runs to Bob Reid and Red Cochrane.

Moore was credited with the victory, his fifth against no defeat this season. The triumph was Carolina's 11th in 14 starts this season. T. J. Moore won the Tar Heels' first against two setbacks in conference competition.

Shipp and Logan will be opposing hurlers.
