Wilmingtonians Urged To Wear Poppy Saturday

America's battle dead will be honored here Saturday, May 23, by the wearing of poppies, the memorial flower of the English-speaking world since the first World War.

Poppies will be distributed on the streets by women of the American Legion Auxiliary, who will at the same time receive contributions for the Legion and Auxiliary work among the war disabled and families left in need by the results of war.

The custom of wearing poppies in tribute to the dead sprang up spontaneously in the United States, England and the British Dominions at the close of the last war, explained Mrs. Wilbur D. Jones, Poppy chairman of the Wilmington Unit of the Auxiliary. The custom was inspired by the poem, "Flanders Field," which contains the lines:

"In Flanders Field the poppies blow, Between the crosses, row on row," Poppies were first worn in America in New York city November 10, 1918, the day before the Armistice. They were adopted as the official memorial flower of the American Legion in 1920, and one of the first acts of the American Legion Auxiliary when it was organized in 1921 was to name the poppy as its memorial flower.

Poppy Day is observed in the United States on the Saturday before Memorial Day, when more than 13,000,000 of the little red flowers are worn by patriotic citizens. The poppies are made of crepe paper by disabled war veterans working in government hospitals and in poppy workrooms maintained by the Auxiliary. More than 1,000,000 is contributed annually to the welfare of the war's living victims by the wearers of the poppy.

BACKACHE, LEG PAINS MAY BE DANGER SIGN Of Tired Kidneys

If backache and leg pains are making you miserable, don't just complain and do nothing about them. Nature may be warning you that your kidneys need attention. The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. They help most people pass about 3 pints a day. If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eye, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes shows there's something wrong with your kidneys or bladder. Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Doan's Pills.

Sugar-Saving Recipes Aid Cooking Skill

By MRS. GAYNOR MADDOX, NEA Service Staff Writer

To be able to make 5 1-2 dozen cookies with only 1-2 cup of your sugar quota is an important skill today. Here's the recipe to give you that skill.

ALMOND BAR COOKIES (about 5 1-2 dozen medium sized) Fifteen-ounce almond chocolate bar, 1-2 cup honey, 1-2 cup melted butter, 1-2 cup granulated sugar, 2 eggs, 1-4 teaspoon almond extract, 1-2 cups sifted all-purpose flour, 1-4 teaspoon soda, 1-4 teaspoon salt, 5 cups uncrushed corn flakes.

Chop almond bar fine. Combine honey, butter and sugar and beat. Add beaten eggs and flavoring and beat. Add flour sifted with soda and salt and mix. Add corn flakes and chopped almond bar and stir to blend. Let mixture stand about 5 minutes. Drop by small spoonfuls onto ungreased cookie sheet, about 3 inches apart. Bake in a moderately hot oven (400 degrees F.) 8 to 10 minutes. Here is another recipe calling for very little sugar:

FRUIT TRIANGLES (about 15 scones) Two cups sifted cake flour, 2 teaspoons combination baking powder, 3-4 teaspoon salt, 1-3 cup shortening, 1 1-2 teaspoons grated orange rind, 1-2 cup seedless raisins, 2 tablespoons light corn syrup, 1-2 cup milk.

Sift flour once, measure, add baking powder and salt, and sift again. Cut in shortening; add orange rind and raisins. Combine corn syrup and milk. Add all at once to flour mixture and stir carefully until all flour is dampened. Then stir vigorously until mixture forms a soft dough and follows spoon around bowl. Turn out immediately on lightly floured board and knead 30 seconds. Roll

1-2 inch thick and cut in triangles. Place on ungreased baking sheet. Brush tops lightly with corn syrup or with mixture of equal parts of sugar and milk. Bake in hot oven (450 degrees F.) 12 to 15 minutes, or until browned.
