## CAMP DAVIS VOLLEY FIRE

**COINCIDENCE**  
 On the same page of a recent issue of the camp Daily Bulletin a three-bedroom furnished house in Wilmington was offered for rent while another officer asked for a house of the same description. A bar to the two parties' getting together may be that the one with the house wants to rent it for only eight weeks.

**COMFORT**  
 Men seeing Gone With the Wind in the camp theaters have been advised to bring pillows with them; 220 minutes of sitting on bare, wooden G. I. benches will make the hardest soldier squirm.

**OFFER OF EMPLOYMENT**  
 Corp. Lee Lewandoski, Hq. Battery, 430th, was notified by authorities back home that he has been appointed to a "lush" civil service job. He is thinking of applying for a leave of absence from the army. P. S. He's just kidding, of course, about the leave.

**BALL GAME**  
 A statistically-minded sports writer reports that in a recent baseball game between Headquarters Detachment, Station Complement, and Headquarters and Headquarters Battery, Anti-aircraft Artillery Training Center (whew!), two outfits with a lot of stripes, the detachment players outranked the battery players \$55 to \$44 (minus longevity). He says that the score matched the pay.

**NECKTIES**  
 Thanks to the recent warm weather, orders have been issued relating uniform requirements. It is up to unit commanders to prescribe whether or not their men shall wear the necktie. Several units are permitting open collars at all times on the post. Neckties will be worn by everyone when off the post.

## TOKYO RAIDERS ENROUTE HOME

### Cairo Broadcast Reports Planes Land In China After Attack

NEW YORK, June 12.—Lester Nichols, MBS Correspondent has reported in a broadcast from Cairo that at least some of the United States planes which raided Tokyo and other Japanese cities in their sensational April 18 attack landed in China. MBS headquarters announced tonight.

Nichols said that 11 pilots, including several wounded, of the 79 who participated in the raid with Brigadier Gen. James H. Doolittle had now passed through Cairo en route home from China. His statement that these 11 had landed in China after the raid was the first public hint regarding this phase of the operation. Their starting place has been a strictly-kept secret.

The statement was made in a broadcast Wednesday night from Cairo which Lester Gottlieb, MBS public relations director, said had been withheld until tonight when released by the office of censorship.

The pilots were reported returning home now in a sub-stratosphere bomber for a well-earned rest.

Gen. Doolittle announced in Washington on May 19 that all the raiding planes reached their destinations safely after blasting a 30-mile path of fire and destruction through Japan. He declined to discuss a Russian announcement that an American plane had landed in Russia shortly after the raid.

President Roosevelt said that Shanghai, La. mythical Tibetan sanctuary portrayed in James Hilton's novel, "Lost Horizon" was the starting place of the raid.

The Axis radios, missing the point of the president's jest, solemnly broadcast later that they were unable to find Shanghai, La. on their maps.

Postmaster Wilbur Doshier, president of the Brigade Boys' club, will make a brief address in accepting the flag for the club.

The flag will be raised by a group of Brigade boys who also will give the pledge to the flag.

## Wrightsville Chapel Services Are Resumed

Rationing-minded residents of Wrightsville Beach were encouraged Friday by announcement that Sunday church services will be held at "The Little Chapel on the Boardwalk" under sponsorship of the First Presbyterian and St. James Episcopal churches, with close cooperation of the chaplains of Camp Davis.

Chaplain Alex von Schlichten, camp chaplain, will conduct services this Sunday. A Sunday school class will be held at 10 a. m., followed by public worship at 11 a. m.

The Camp Davis chaplains are especially interested in the Wrightsville services because of the number of officers and enlisted men residing at the beach town. Tire and gas rationing have curtailed travel to such an extent that Wrightsville residents are finding it difficult to commute between Wilmington and the Beach on Sundays.

Committees are at work refurbishing the Wrightsville chapel. Various Camp Davis chaplains will conduct the Sunday services, it was said.
