TARBORO YOUTH BEATS OLIVER IN FINAL PLAY

Greensboro Tourney Ends In Spectacular Match With Score 6 and 5

GREENSBORO, June 12.—(AP)—The junior golf champion of the two Carolinas is still Edward Harviq Ward, 16-year-old golfing son of a Tarboro druggist. Young Ward, an overwhelming favorite after pocketing low qualifying medal honors with a 70, successfully defended his title here today when he defeated John Harvey Oliver, Jr., Fayetteville darkhorse, in the finals. The score was 6 and 5.

Admittedly nervous and jittery, Oliver, 15-year-old surprise package of the 16th annual tournament held at Greensboro Country club, lost the first four holes of the scheduled 36 hole titular battle and never caught the flying Ward, who showed no signs of faltering after taking his big lead.

Oliver was so shaky from stage fright that he three putted the first hole, used up four strokes getting onto the par four number 2 green, missed the short third green and took three to get onto the par four number 4 green to find himself four down after only four holes of play.

Oliver, blushing son of a traveling dry goods salesman from Fayetteville, played the favored Ward on even terms for the next 23 holes. As they made the turn at the 27th hole, Ward was still leading by the 4-up margin he gained by taking the first four holes.

But the match was decided on the 31st when Oliver was in the trap with his approach and Ward hit the green and set down in two putts for a par four. Ward's second putt bounced out of the cup, hung momentarily on the back edge and then dropped to give him his second straight junior title. He beat Greensboro's Ray Taylor in the finals last year.

Third-String Yankee Catcher Takes Over; Regulars Are Injured

NEW YORK, June 12.—(AP)—Rookie Ed Kears, third string catcher, will shoulder the backstopping responsibilities of the New York Yankees until Bill Dickey and Buddy Rosar recover from injuries, club officials disclosed tonight in announcing a decision not to call up a catcher from one of the farm teams.

Kears, up from Kansas City, entered his first Major league game yesterday when Rosar sprained a leg muscle in the second inning of the contest with Detroit. He caught part of one inning but weather halted the game before he had a turn at bat.

Dickey, who was hit on the foot by a foul tip from his own bat Wednesday and was put out of action for the second time this season, will return to uniform tomorrow but will not see action unless it becomes necessary.

Yankee officials said Rosar would not be able to return to active duty for four or five days.

SEDGEFIELD HUNT HORSE SHOW OPENS

First War-Time Contests Draw Large Audience At Greensboro

GREENSBORO, June 12.—(AP)—Sedgefield Hunt opened its first horse show during war-time here today, and the opening performance of the two day sporting classic gave indication that the most successful Sedgefield horse show ever staged was in the making.

With over 100 exhibitors and approximately 200 entries, the annual show got under way before a large opening day crowd this afternoon in the show ring at Sedgefield stables, while an even larger crowd turned out for tonight's performance.

Secretary Sidney B. Allen called it the "largest and finest show we ever sponsored." He praised the interest shown by horse lovers—spectators and exhibitors—and added, "Just think we almost called this thing off a few weeks ago."

Three spills—none serious—marked this afternoon's successful program, with the entries of Mr. and Mrs. Haggin Perry, of Cobham Va., serving notice on the rest of the field that they will be in the thick of a merry scrap for leading laurels before the show is concluded tomorrow night.

While the horse show will continue with afternoon and evening performances tomorrow, starting at 11:30 o'clock and again at 8 o'clock, attention will be focused tomorrow morning on the second annual Sedgefield hunt show to be sponsored by the Sedgefield Hunt and held in conjunction with the horse show.

A large field is assured for the hunt show and Col. Frank Page, veteran local sportsman who will act as ringmaster, said tonight that hounds were expected from several southern states.

Three Perry entries captured first places on today's program. They were Hydrogyro in the touch and out class, Captain Kelly in the children's hunters and Magic Luck, ridden to victory by Mrs. Perry in the green hunters class.

Atlanta horses won four of the 17 events comprising the afternoon program. Nancy McClung rode her Irish Gentleman to triumph in the children's horsemanship for 12 years and under, Barbara Anderson won the juvenile five-gaited with Camella Peavine, Dr. Clyde Crawford annexed the junior walking horse class with Miss Blackout and Johnny Lucas drove Golden Highway, owned by Joan Dodd, to victory in the junior five harness.

The three spills marring the afternoon program saw Mrs. L. B. Jenkins of Kinston, Chuck Haywood, III, of Elkin, and Miss Eleanor Moffett, of Asheville, thrown from their mounts. None was hurt seriously, and their horses came out unscathed.

Whiteville Legionnaires Beat Lumberton, 8 To 5

LUMBERTON, June 12.—Whiteville's American Legion entry in the Eastern division routed the Robeson club here this afternoon 8-5 before a small gathering.

The Columbus county lads opened by scoring four runs in the initial frame and went on for four more. Buck Hardee led the hitters with a pair of singles and a triple. Roger Harwood was the winning pitcher. Hodge had two for Lumberton.

GEORGE'S FILLY BEATS THE FIELD

Sun Chariot Comes Up From Behind To Win Hard-Run Race

NEWMARKET, England, June 12.—(AP)—King George VI today won the first half of a racing double no sovereign has ever captured when Sun Chariot, the Irish filly His Majesty leased for her racing career, came from far back to take the mile-and-a-half Oaks.

It was the Royal stables' first victory in this ancient fixture for three-year old fillies and left Sun Chariot with a record of having been beaten only once in her career. With his undefeated colt, Big Game, the choice for tomorrow's derby, King George was favored to run out this double and then sweep the "big four" for three year olds. Previously this season Big Game won the 2,000 guineas and Sun Chariot the 1,000 guineas.

The filly broke poorly today and lost some six lengths right at the start by running wide. Once Gordon Richards, the King's jockey, got her straightened out, however, she picked up her rivals in a hurry took command at the five-sixteens pole and galloped home a length to the good over Lord Rosebe's Afterthought. Lord Glanley's Feberion was third in the field of ten.

Odds on at 1-to-4 in the betting—second shortest price in the history of the race. Sun Chariot clicked off the 12 furlongs in 2:33.5 as the thousands who crowded the stands roared cheers for her popular victory. The Oaks has been run faster only once before—the 2:30 2-5 in which Godiva covered the route two years ago.

IT'S WHIRLAWAY OR MARKET WISE IN ADVANCE DOPE

Both Better In Longer Race Than Handicap Short Course

BY SID FEDER NEW YORK, June 12.—Whirlaway and Market Wise, who usually need a lot of room to run, were named today to hook up at Aqueduct tomorrow in the comparatively cramped seven furlong Carter Handicap.

A dozen other horses were entered along with the top two, but since there has been so much imbalance for a match race between this pair ever since Lou Tudano's rags-to-riches colt trounced Whirlaway in the Suburban Handicap a couple of weeks ago, no one was particularly interested in the rest of the field.

Except for two six-furlong "lightners" early in the spring—both of which he lost—this was the shortest distance Whirlaway ever been asked to travel for more than a year. Market Wise had two spring outings last winter at Hialeah and dropped both of them. Mostly, these two like a mile and a quarter or thereabouts to turn loose their firecrackers.

Although Warren Wright's Little Mr. Big Tail and Tudano's Link and joy probably will go to the post close to equal betting chances to pick up the \$8,000 winner's purse, it would not be impossible for one of the sprinters in the field to get out there far enough to stall off their closing rush.

If that's going to happen, it might be Richard J. Kleberg's Texas-owned Dispose, especially since he's carrying only 113 pounds compared to the 130 for Whirlay and 128 for the sore-footed son of Broker's Tip. Other speed chasers are H. L. Myer's Sheriff Clifton, who is hooked up with Dispose and Arnold Hanger's Dit as Trainers Max Hirsch's entry; Mrs. T. Christopher's Doublebar, winner of last two stake outings; and California invader, Nellie McCarthy's Augury. The rest of the field includes William DePoe's Baby Dumpling, Samuel Biddle's The Finest, Mrs. Payne Wadsworth's Swing and Sway, W. L. Brown's Pictor, Crispin Oelshay's L. B. Best, Mrs. Christopher's Doubt No and A. C. Ernst's Alhambra.

OLSEN TURNS IN FIRST GAME FOR CHICAGO CUBS CHICAGO, June 12.—(AP)—Vern Olsen turned in his first victory of the season for the Chicago Cubs today with a six-hit performance against the Boston Braves in the opener of a four-game series.

After four losses Olsen defeated A. Javery. It was Javery's sixth defeat of the season. The Braves made four of their six hits when they scored their only two runs of the game in the fifth inning. After that the only Brave who reached first base was Ernie Lombardi, who singled for his second hit in the ninth.

The Cubs made nine hits off Javery, three of them by Bill Nicholson, who doubled twice and singled once. Nicholson drove in the first two Cub runs with a double in the first inning. Lou Novikoff maintained his new hitting pace with two singles.

Penn State Star Pulls Tendon In Broad Jump

LINCOLN, Neb., June 12.—(AP)—The NCAA annual track championships lost one of its top stars in the trials tonight when Barney Ewell of Penn State, defending champion in the 100 and 220, suffered a pulled tendon in the broad jump prelim and was scratched from both events.

At the end of six events Southern California, the meet favorite, was far out in front in qualifiers with 12. The Trojans started by qualifying three men in the 440 yard run.

Gardner Mullor, Tennis No. 4 Man, Enters Navy

BOSTON, June 12.—(AP)—Gardner Mullor of Coral Gables, Fla., amateur tennis No. 4 ranking player, today revealed he had accepted a junior grade lieutenant's commission in the U. S. Naval Reserve. He has been ordered to report for duty at Annapolis on Monday.

Mulloy, a University of Miami graduate and its unpaid tennis coach since 1938, has been a frequent competitor in most of the major eastern grass and national championship tournaments for several years. He said he passed his final physical examinations and was sworn into service yesterday at the local Navy headquarters.

Rumors have it that the National league may solve the acute transportation problem by changes in its schedule. The eastern teams, for instance, would consolidate their third and fourth trips to the west.

In other words, the Dodgers would take a month jaunt westward rather than two two-week tours.

Naturally, there'll be plenty of complaints if such a move is made. It is, however, a very logical and practical plan.

And less traveling means just another thing toward making that "V" for victory blacker.

Sports Carbon: "Two different drafts are bothering the two Philadelphia clubs now—Selective Service and the cellar," says LeRoy Simerly of the Sparta-Burg Herald. "If those Quaker City fans want a flag this year, they'll have to find another Betsy Ross."

News that Craig Wood is to play in a Navy relief match at Bloomfield, N. J., today reminds this corner of an incident that happened the day the colorful, 40-year-old swinger won the National Open in Fort Worth last summer—a little story that's grown to legendary proportions in golfdom.

We were covering the police beat on a Texas paper at the time and heard the yarn in a Fort Worth newsroom. It seems that a young sportswriter was assigned to get a color story on the Open champ.

After the big tourney had ended neither the scribe nor Wood, who's always good for a write-up, had an idea for that feature angle. So they drove downtown from the Colonial Hills course together—while the new champ thought.

Suddenly—just as they were passing one of those two-bit driving ranges—Wood said: "Stop the car. 'believe I'll get out and hit a bucket of balls.'" Speaking was the man who'd just shot 72 tough holes to win the country's top golf event.

He remembered he had something else to do before he got on that driving range. But the cub writer had his angle.

With the spotlight focused on hook-baller Ernie Bonham, a lesser known Yankee is doing all right for himself and the New York club, He's Spurgeon Chandler, the Georgia farm boy.

Chandler has won 17 of the last 19 years, including last year's games. This year it was this way: won two straight, lost one and now won five in a row.

Bonham is not the only one.

On Monday morning the Yanks' annual rookie clinic for sandlot, school and other possibilities will be held. Because of the draft-caused shortage of players, opportunities for the 300 boys who'll report to the try-out camp are the best in years.

But there's a shortage of good-looking greenorns as well. War industries are one reason. Rules such as the regulation banning the paying for a boy's education unless he's already signed a contract hurt too.

The Yankees may consider themselves lucky if they cull a dozen likely prospects out of that bunch next week.

LONDOS BEATS BIBBER M'COY

Golden Greek Bounces Irishman For 2 Straight Falls; Saunooke Wins

Jim Londos showed Wilmington fans that he still has plenty of what has made him the heavyweight champion of the world five times by bouncing Boston's scrappy Bibber McCoy around Thalian hall's ring for 54 minutes last night, pinning the contender twice in a row.

The veteran Golden Greek tossed the thickest Irishman almost entirely across the square 34 minutes after the opening bell and downed him with a full body block for the first fall.

It was a madder, meaner McCoy that came out of the dressing room for the second go. After 20

dizzy minutes of top-like spinning, Londos defeated his opponent with a full arm twist and arm lock. Fort Worth's cussin', eye-gouging contribution to wrestling, Clarence "The Cowboy" Luttrall, was just as full of undertone threats and underhanded action as ever in last night's preliminary bout. But the sheer size of enormous Chief Osley Bird Saunooke of Cherokee was too much for the Texan.

The Redskin charged the smaller Luttrall like the First Armored Division in action, crushing him to the floor with a very full body block for the first fall in 17 minutes. After 22 minutes in the second affray, he hugged Cowboy down with the famed bear clinch. Despite a never-say-don't attitude and plenty of rough holds himself, McCoy couldn't made the grade against the old timer in the main event. Londos's fast footwork and slippery escapes were a step ahead of the Massachusetts boy.
