WASHINGTON, Aug. 13- (AP) ecretary of War Stimson. obviousangered at the "fifth column ir-marker" tory, today announced a thorough shake - up of the Army's publicity staff which. he said, would make another such incident impossible.

The reorganization he told reporters, had been ordered into effect even before Army press relation officers at Mitchel Field re-

leased a story, with pictures, of uge arrows and other direction markers on the ground pointing to airports and defense plants.

One was an arrow-shaped clearng in a wood, which was later found to have been a bird sanctuary owned by the state of New figure nine, with the tail, it was said, pointing to an airport. Invesligation disclosed that a farmer on the eastern shore of Virginia had ossed fertilizer bags from a mov-
